

The Dark Design

Frederick George Lee

The Dark Design:

The Dark Art Edward Follis, Douglas Century, 2014-10-07 A highly decorated veteran DEA agent recounts his incredible undercover career and reveals the shocking links between narcotics trafficking and terrorism. What exactly is undercover? From a law enforcement perspective undercover is the art of skillfully eliciting incriminating statements. From a personal and psychological standpoint it's the dark art of gaining trust then manipulating that trust. In the simplest terms it's playing a chess game with the bad guy getting him to make the moves you want him to make but without him knowing you're doing so. Edward Follis mastered the chess game. The Dark Art over the course of his distinguished twenty seven years with the Drug Enforcement Administration where he bought eightballs of coke in a red Corvette negotiated multimillion dollar deals onboard private King Airs and developed covert relationships with men who were not only international drug traffickers but in some cases operatives for Al Qaeda, Hezbollah, Hamas, the Shan United Army or the Mexican federation of cartels. Follis was in fact one of the driving forces behind the agency's radical shift from a limited local focus to a global arena. In the early nineties the DEA was primarily known for doing street level busts evocative of Miami Vice. Today it uses high resolution optics surveillance and classified cutting edge technology to put the worst narco terror kingpins on the business end of stealth justice delivered via Predator drone pilots. Spanning five continents and filled with harrowing stories about the world's most ruthless drug lords and terrorist networks, Follis's memoir reads like a thriller. Yet every word is true and every story is documented. Follis earned a Medal of Valor for his work and coauthor Douglas Century is a pro at shaping and telling just this kind of story. The first and only insider's account of the confluence between narco trafficking and terrorist organizations. The Dark Art is a page turning memoir that will electrify you from page one.
