The Deity:

[A Plea for the Deity of Jesus](#) David Simpson, 1812

[**Gods and Humans in the Ancient Near East**](#) Tyson L.

Putthoff, 2020-11-05 In this book Tyson Putthoff explores the relationship between gods and humans and between divine nature and human nature in the Ancient Near East. In this world gods lived among humans. The two groups shared the world with one another each playing a special role in maintaining order in the cosmos. Humans also shared aspects of a godlike nature. Even in their natural condition humans enjoyed a taste of the divine state. Indeed gods not only lived among humans but also they lived inside them taking up residence in the physical body. As such human nature was actually a composite of humanity and divinity. Putthoff offers new insights into the ancients' understanding of humanity's relationship with the gods providing a comparative study of this phenomenon from the third millennium BCE to the first century CE.
