A. Gorden, 2002-06-01 James Makinen is a beaten man His wife has left him taking their children across country to a different state His boss wants to fire him And a young girl has accused him of statutory rape But those are just the least of his worries An unknown soothsayer has just turned over a card A serial killer has decided that James Makinen will be on his list of enjoyments Another card is drawn What will happen next in the small Northern Minnesota town The cards know But can you understand their story [The Symbolism Of The Tarot](#) P. D. Ouspensky, 2021-12-24 The Symbolism Of The Tarot P D Ouspensky Pyotr Demianovich Ouspensky was a noted and controversial Russian mystic and esotericist This book describes the mystical symbolism of the Major Arcana of the Tarot These esoteric or divinatory meanings were derived in great part from the writings of the Hermetic Order of the Golden Dawn group of which Ouspenskii had been a member The meanings and many of the illustrations showed the influence of astrology as well as Qabalistic principles Excerpt No study of occult philosophy is possible without an acquaintance with symbolism for if the words occultism and symbolism are correctly used they mean

almost one and the same thing Symbolism cannot be learned as one learns to build bridges or speak a foreign language and for the interpretation of symbols a special cast of mind is necessary in addition to knowledge special faculties the power of creative thought and a developed imagination are required One who understands the use of symbolism in the arts knows in a general way what is meant by occult symbolism But even then a special training of the mind is necessary in order to comprehend the language of the Initiates and to express in this language the intuitions as they arise There are many methods for developing the sense of symbols in those who are striving to understand the hidden forces of Nature and Man and for teaching the fundamental principles as well as the elements of the esoteric language The most synthetic and one of the most interesting of these methods is the Tarot
