The Devil's Gardens Lydia Monin, 2011-12-31 The image I have is a kid on a country lane on a Saturday afternoon herding his family cattle meaning no harm to anybody and putting one step wrong It s one thing to die in combat it s one thing to die defending land but it s

another thing to die tending cattle on a Saturday afternoon and we want a world where that doesn't happen Michael Ignatieff

During the twentieth century a landmine plague raged across the globe It began on the battlefields of two world wars it gathered momentum in Korea and Vietnam and then spread like wildfire throughout the developing world The Devil's Gardens is the definitive story of the landmine It is the story of the development and proliferation of a weapon of terror It is also the story of suffering and devastation and a worldwide crusade to put an end to the curse of landmines forever The issues surrounding landmines and their continued use are controversial Drawing on a wide range of distinguished interviewees and the authors first hand experiences in severely mine affected countries The Devil's Gardens look at all sides of the landmine story

The Devil's Trick John Boyko, 2021-04-13 Forty five years after the fall of Saigon John Boyko brings to light the little known story of Canada's involvement in the American War in Vietnam Through the lens of six remarkable people some well known others obscure bestselling historian John Boyko recounts Canada's often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam's prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide ranging and fascinating accounts Boyko exposes what he calls the Devil's wildest trick convincing leaders that war is desirable persuading the public that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada's side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies

The Devil's Triangle Mark Judge, 2022-11-28 Do you remember the woman in To Kill a Mockingbird who falsely accuses a black man of raping her What could possess anyone to do such an evil thing to viciously attempt to destroy a life by knowingly lying For that answer look no farther than the riveting and gloriously candid The Devil's Triangle by Mark Judge who himself was targeted for destruction by that same evil and who lived to tell the tale if only so that we might all recognize the dark forces at work in our nation In a voice evoking J D Salinger Hunter S Thompson and yes Lester Bangs within a narrative that brings to mind All the President's Men and Fast Times at Ridgemont High Judge tells us the truth in all of its brutality and beauty May this book open the way for a spate of

similar memoirs whose honesty will lead this once great nation out of the fetid triangular swamp of lies that is this brave book's eponymous Devil's Triangle and toward a new sunlit frontier in which genuine liberty and unvarnished truth once more become our beacons and our hope Eric Metaxas 1 New York Times Bestselling author of Fish Out of Water A Search for the Meaning of Life and Host of Socrates in the City In 2018 in the midst of a contentious Supreme Court confirmation battle Christine Blasey Ford named Mark Judge as a witness to her alleged attempted rape over thirty years earlier at the hands of a teenaged Brett Kavanaugh Overnight the unassuming writer critic videographer and recovering alcoholic was unwillingly thrust into the national media spotlight Reporters combed through Judge's writings pored over his high school yearbook hounded him with emails and phone calls and invaded the privacy of his relatives friends and former girlfriends He was mauled in the press denounced in the Senate received threatening late night calls became the target of a classic honey trap and was even called out by Matt Damon on Saturday Night Live As the lunacy reached its crescendo Judge began to fear for his sanity and even his life A year later still traumatized by this Kafkaesque experience Judge found himself washing dishes in a Maryland restaurant trying to piece his shattered life back together Even at the time it was clear that Judge himself was not the target of this campaign of vilification Instead it was an attempt to use his spotty record as a teenage alcoholic and later a political and cultural conservative to destroy Brett Kavanaugh by proxy The actors in this malicious and cynical plot were an informal cabal of partisan reporters Democrats in Congress and shadowy opposition researchers a Devil's Triangle whom Judge aptly compares to the Stasi the dreaded East German secret police who terrorized citizens during the Cold War Now in a frank confessional and deeply moving book that stands comparison to Arthur Koestler's Cold War classic Darkness at Noon Judge rips the mask from the new American Stasi Using pop culture politics the story of his friendship with Kavanaugh and the fun wild and misunderstood 1980s Judge celebrates sex art and freedom while issuing a timely warning to the rest of us about our own endangered freedoms
