diaries were proved to be bogus

*The Lost Life of Eva Braun* Angela Lambert,2014-09-02 Lambert s behind the scenes tale

of an extraordinary man in love with a most ordinary woman is a revelation Publishers Weekly Eva Braun has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her

convent school at the age of seventeen and met Hitler a few months later How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Braun s private diary and photograph albums show that her life with Hitler caused her emotional

torture His chauffeur called her the unhappiest woman in Germany The F hrer humiliated her in public Yet Albert Speer said She has been much maligned She was very shy modest A man s woman gay gentle and kind incredibly undemanding And her

love for Hitler as she proved in the end was beyond question Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the

bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life s ambition by becoming Hitler s wife Next day they both swallowed cyanide and died instantly Based on detailed new research this is an authoritative biography only the second life of Eva written in English A fascinating read Booklist A remarkable fully

**Adolf Hitler and the Nazi Epoch** Paul Madden,1998-11-05 Although bibliographies do exist that

concern themselves with the Nazi period in Germany and the Third Reich no one has yet attempted a complete reference source With the publication of Adolf Hitler and the Nazi Epoch there is finally a complete comprehensive reference source

designed to identify all English language works that relate to the Nazis and the Third Reich Included in this bibliography are monographs biographies pamphlets and journal articles as well as more general histories of the time period The material is

subdivided by subject and organized into eighteen chapters making this large bibliography simple to use The chapter

subjects contain a broad range of data Included are chapters on Adolf Hitler himself the origins of national socialism religion and the Nazis articles about education and academics in Germany law and government under the Third Reich the SS and concentration camps everyday life in Nazi Germany foreign policy and more The range of data collected in this one reference location is astounding and should provide a nearly inexhaustible starting point for those scholars and students interested in the history of one of the most controversial political parties and governments of the twentieth century
