Hine, Stanley Harrold, 2003 This book is the first comprehensive survey of the African American experience It draws on recent research to present black history in a clear and direct manner within a broad social cultural and political framework White supremacy the Great Depression the building of black community institutions the equal rights movement and African American military service For anyone who is interested in an in depth exploration of African American history as it relates to U S history

**An American Odyssey** Thomas H. Pauly, 1983 Elia Kazan was for a number of years the pre eminent director in New York and Hollywood who helped establish the American social realist style in theater and film Beginning with his early association with The Group Pauly shows how Kazan's realist style shifted subtly toward a more autobiographical mode especially in his later films and how he influenced the work of writers now identified as among the best America has produced Also shows how commercial concerns and changing audience tastes affected what Kazan chose to do even while he remained preoccupied with American social problems

**African-American Odyssey** Albert S. Broussard, 1998 This book illuminates the professional career and private lives of J McCants Stewart a Reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an African American family in America Adapted from book jacket
