Hallaq, 2014-09-02 Wael B Hallaq boldly argues that the Islamic state judged by any standard definition of what the modern state represents is both impossible and inherently self contradictory Comparing the legal political moral and constitutional histories of premodern Islam and Euro America he finds the adoption and practice of the modern state to be highly problematic for modern Muslims He also critiques more expansively modernity's moral predicament which renders impossible any project resting solely on ethical foundations The modern state not only suffers from serious legal political and constitutional issues Hallaq argues but also by its very nature fashions a subject inconsistent with what it means to be or to live as a Muslim By Islamic standards the state's technologies of the self are severely lacking in moral substance and today's Islamic state as Hallaq shows has done little to advance an acceptable form of genuine Shari'a governance The Islamists' constitutional battles in Egypt and Pakistan the Islamic legal and political failures of the Iranian Revolution and similar disappointments underscore this fact Nevertheless the state remains the favored template of the Islamists and the ulama

Muslim clergymen Providing Muslims with a path toward realizing the good life Hallaq turns to the rich moral resources of Islamic history Along the way he proves political and other crises of Islam are not unique to the Islamic world nor to the Muslim religion These crises are integral to the modern condition of both East and West and by acknowledging these parallels Muslims can engage more productively with their Western counterparts *The Law Journal* ,1884 Handbook of the Law of Contracts Laurence Packer Simpson,1965 **Cases and Materials on Evidence** Charles Tilford McCormick,John Floyd Sutton,1971 **Cases and Materials on Oil and Gas** William Orr Huie,Marion Kenneth Woodward,Ernest Edgar Smith,1972 Problems and Materials in Federal Estate and Gift Taxation (with Supplemental Income Tax Materials Relevant to Transactions Creating Estate and Gift Tax Consequences) Ralph S.
