Social Courts In Theory And Practice:

Social Courts in Theory and Practice Robert M. Hayden, 2016-11-11 This ethnographic study of a socialist labor court discusses the nature of social courts which are judicial institutions staffed by lay people rather than lawyers **Community Justice Centres** Sarah Murray, 2021-09-12 This book examines the phenomenon of Community Justice Centres and their potential to transform the justice landscape by tackling the underlying causes of crime Marred by recidivism addiction family violence overflowing courtrooms crippling prison spending and extreme rates of incarceration the criminal justice system is in crisis Community Justice Centres seek to combat this by tackling the underlying causes of crime in a particular neighbourhood and working with local people to redesign the experience of justice and enhance the notion of community A Community Justice Centre houses a court which works with an interdisciplinary team to address the causes of criminality such as drug addiction cognitive impairment mental illness poverty abuse and intergenerational trauma The community thus becomes a key agent of change partnering with the Centre to tackle local issues and improve safety and community cohesion This book based on research into this innovative justice model examines case studies from around the world the challenges presented by the model and the potential for bringing its learnings into the mainstream This book will appeal to academics in law and criminology as well as psychology it will also be of considerable interest to people working in the criminal justice system including the police government policy advisers psychologists and social workers **Community Courts and Postcolonial Legal Pluralism** Tina Lorizzo, 2024-04-02 By focusing on the role of community courts in Mozambique this book offers a postcolonial perspective on legal pluralism In Mozambique judicial courts are distant and expensive and legal terminology is incomprehensible to the majority of people As such Mozambicans continue to rely on different normative systems to resolve their disputes systems that have always been considered to be closer cheaper and faster than judicial courts This book analyses the functioning of community courts in the Mozambican capital city of Maputo As it considers how the past shapes the relationship of the state with community courts the book uncovers the Eurocentrism of mainstream discourses and practices of criminal justice In response it develops a postcolonial account of legal pluralism By arguing that community courts can therefore be seen as the form of an otherwise neglected local knowledge the book discusses their overlooked importance in improving widespread access to criminal justice This book will be of value to scholars working in the areas of legal pluralism and postcolonialism and others with interest in criminal justice **Corrections** Mary K. Stohr, Anthony Walsh, 2019-12-10 Written by two academic scholars and former practitioners *Corrections From Research to Policy to Practice* Second Edition offers students a 21st century look into the treatment and rehabilitative themes that drive modern day corrections Authors Mary K Stohr and Anthony Walsh expertly weave together research policy and practice to give readers a foundational understanding of the field of corrections Readers will gain a comprehensive and practical understanding of corrections as well as exposure to often overlooked topics including correctional programming and
