Zhang**

Social Worker As Manager:

The Social Worker as Manager Robert W. Weinbach, 2008 The fifth edition of *The Social Worker as Manager* combines presentation of management theory and practical advice. It is designed to help social workers to successfully perform the tasks of management at any level. This text was written for both students and those practitioners who find themselves with increased management responsibilities. It describes those functions and tasks that all managers perform while emphasizing how they are shaped by the uniqueness of human service organizations. This edition is easy to read, conversational, and contains many new and revised examples, topics, and practical applications.

The Social Worker As Manager Robert W. Weinbach, Lynne M. Taylor, 2014-07-03 A reader friendly comprehensive discussion of social work management. *The Social Worker as Manager: A Practical Guide to Success* provides an understanding of the functions and responsibilities of managers at any level from supervisor to executive director. The seventh edition emphasizes how management is an integral part of social work practice and critical to the success of human service programs and services. This title is written for both students and social work practitioners. It describes those management activities that social workers in the public, private, and non-profit sectors encounter and how they are shaped by the uniqueness of human service organizations. This edition is easy to read, conversational, and contains many new and revised examples, topics, and practical suggestions based on the experiences of the authors.

The Social Worker as Manager Robert W. Weinbach, Lynne M. Taylor, 2015 A reader friendly comprehensive discussion of social work management. This title is also available as a more affordable e-book. *The Social Worker as Manager: A Practical Guide to Success* provides an understanding of the functions and responsibilities of managers at any level from supervisor to executive director. Organisations and Management in Social Work Mark Hughes, Michael Wearing, 2012-11-12 The second edition of *Organisations and Management in Social Work* examines the complex organisational settings in which social workers practice and identifies opportunities for taking action for positive change A robust critique of organisational practices is encouraged throughout the book with an emphasis on active participation in the everyday life of organisations The new edition covers Leadership and supervision Inter agency and inter disciplinary working Ethical practice and decision making Communication and the emotional life of organisations Each chapter includes updated practice examples and reflective questions so readers can apply the knowledge learned to real life practice It will be essential reading for undergraduate and postgraduate students of social work The book will also be a valuable text for front line practitioners and managers wishing to understand the organisational context of social work

Management and Administration in Social Work: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Professional Discretion in Welfare Services Tony Evans, 2016-04-15 Discretion has re emerged as an issue of central importance for welfare professionals over the last two decades in the face of an intensification of management culture across

the public sector This book presents an innovative framework for the analysis of discretion offering three accounts of the managerial role the domination model the street level model and the author s alternative discursive perspective These different regimes of discretion are examined through a case study within a social services department comparing and contrasting social work discretion in an Older Persons Team and a Mental Health Team This innovative theoretical and empirical analysis will be of great interest to postgraduate students and researchers in social work and related disciplines including social policy public administration and organizational studies as well as professionals in social work health and education

Developing Good Practice in Children's Services Vicky White,John Harris,2004 Vicky White and John Harris have drawn together the contributors experiences of working with children in a broad range of settings emphasising ways in which the current context of change can be used as an opportunity to enhance the quality of service provision and achieve better outcomes for children and their families

Protecting Powers Judith Masson,2007-03-13 The book is based on two research projects on emergency intervention which were carried out by the author and her colleagues The studies provide the basis for the three themes in the book Inter agency Working Perceptions of Safety and Placement and Resource Issues The combination of quantitative and qualitative research allows a detailed picture of practice that goes beyond an account of what happens to explore the perceptions understandings and experiences of the practitioners who make these decisions as social workers police officers magistrates legal advisers or magistrates and of the lawyers who advise social workers and parents The book provides a critical account of current practice in emergency child protection it identifies good practice and make proposals for reform

Management in Social Work Veronica Coulshed,Audrey Mullender,David N. Jones,Neil Thompson,2018-06-26 The third edition of this textbook has been thoroughly revised to meet the needs of today s social work students professionals and service managers It illustrates current legislation policy procedure and concerns with additional material included to develop readers confidence and skills in the context of learning organisations This book is essential reading for students and practitioners alike particularly those who need to understand organisation and management theory for study purposes and those who aspire to move into social work management or have been recent promoted New to this Edition Fully revised and reorganised to reflect current legislation and policy New material added to develop managers confidence and skills in the context of learning organisations Experienced new coauthors added to successful writing team

Social Workers in Health Care Management Gary Rosenberg,Sylvia S. Clarke,1988 Leading administrators in health care provide helpful insights into how they made the successful transition from social worker to health care manager A significant number of hospital social work managers have moved to broader management responsibilities in health care settings over the past decade and the contributors explore the issues involved in this phenomenon Learn how their social work backgrounds helped and impeded their career moves what adjustments they had to make what new skills they had to develop and what changes they suggest in the structure of social work education to better

facilitate a broader application of social work knowledge and skills to alternate careers

Occupational Outlook

Handbook, 1988 Describes 250 occupations which cover approximately 107 million jobs

Social Workers in Health

Care Management Gary Rosenberg, Sylvia S. Management and Supervision of Social Workers Lambert Engelbrecht, 2014-06-06 The unique focus of this book is its dual focus on

management and supervision The book offers a critical analysis of the contemporary debates related to issues and the challenges peculiar to social work management and supervision of social workers Social welfare policy changes in South Africa in the past two decades have had a radical impact on social work and affected all involved in social development This has resulted in a requirement for increased accountability improved quality and efficiency of service delivery The book critically addresses both the management and supervision of social workers within a social development paradigm It draws on South African and African practice examples as well as relevant research but may also apply to other contexts and social service professions Comprehensive detailed sound theoretical and conceptual frameworks are all essential in management and supervision in social work as reflected in this exciting new book *Proactive Management in Social Work Practice*

Sharon Lambley,2009-05-27 Leadership and management appointments are often made on the basis of an exemplary performance record in a non managerial role with the implicit assumption that this standard will be transferred into the new role However the role of manager and leader in social care is very challenging and some managers struggle to acquire the level of performance they had achieved in their previous role This book will introduce the values and principles that underpin good leadership and management practice to anyone working in social work and social care services *Enhancing Social Work Management* Jane Aldgate,Janet Seden,Wendy Rose,2007-01-15 This book looks at the nature of management in the human services sector and examines the prevailing issues affecting both the UK and USA In this book contributors present both the problems and opportunities associated with the growth of management in the social care sector This will be essential reading for social workers
