The Ethics of Socialism Bax,1893    **The Ethics of Socialism** Ernest Belfort Bax,1902    **Socialism and Education in Britain 1883-1902** Kevin Manton,2013-05-13 Examines the British socialist movement in the last two decades of the 19th century through its policies on children's education The author reassesses the nature of these policies and comments on the validity of those historiographical models used in analyses of the socialism of this period    Reading Sartre's Second Ethics Elizabeth A. Bowman,Robert V. Stone,2023-03-27 In Reading Sartre's Second Ethics Elizabeth A Bowman and Robert V Stone provide a comprehensive reconstructive and critical interpretation of Jean Paul Sartre's mature dialectical ethics The key Sartrean texts are two posthumously published lectures one delivered at the Gramsci Institute in Rome in 1964 the other scheduled to be delivered at Cornell University in 1965 but cancelled by Sartre in protest of U.S. foreign policy Though different in content method and intended audience Sartre gave both lectures the shared title Morality and History As Bowman and Stone argue these texts comprise a single systematic ethic in two parts The Cornell lecture focuses primarily on a regressive and phenomenological analysis of normativity and its ambiguous place in lived moral experience the Rome lecture focuses primarily on a progressive and dialectical synthesis of the ends or goals of historical conduct Taken together the two texts demonstrate that integral humanity is always possible because the means to it can always be freely invented
