Social Development

Marion K. Underwood, Lisa H. Rosen, 2011-09-29. This authoritative, engaging work examines the key role of relationships in child and adolescent development from the earliest infant caregiver transactions to peer interactions, friendships and romantic partnerships. Sections cover foundational developmental science, the self and relationships, social behaviors, contexts for social development and risk and resilience. Leading experts thoroughly review their respective areas and highlight the most compelling current issues, methods and research directions. Pedagogical Features: Structured to follow the sequence of a typical social development course. Chapters are brief and can be assigned along with primary source readings. Includes end-of-chapter suggested reading lists. Coverage is broader and higher level than other social development texts. Designed with the needs of students in mind in terms of writing style, size and price.

The Playing Self Alberto Melucci, 1996-07-13. In this groundbreaking book, influential cultural sociologist Alberto Melucci delves deeper into questions about the self as both a psychological and sociocultural entity, particularly in the context of a global society for which information has become a basic resource. He accounts for the self as a site of highly subjective and intimate experiences such as crying, laughing and loving, and in relation to social structural dynamics through more impersonal experiences such as the experience of time and links of the self to politics.

Contemporary Social Psychological Theories Peter James Burke, 2006. This text presents the most important and influential social psychological theories and research programs in contemporary sociology. Original chapters by the scholars who initiated and developed these theoretical perspectives provide full descriptions of each theory, its background, development and future. The first four chapters cover general approaches organized around fundamental principles and

issues symbolic interaction social exchange distributive justice and rational choice The following chapters focus on specific research programs and theories examining identity affect comparison processes power and dependence social exchange status construction and legitimacy A concluding chapter provides an analysis of and commentary on the state of the theoretical programs in sociological social psychology Contributors Peter J Burke Joseph Berger Coyle Cheshire Karen S Cook Pamela Emanuelson Alexandra Gerbasi Karen A Hegtvedt Michael A Hogg Guillermo Jasso Edward J Lawler Michael W Macy George J McCall Linda D Molm Cecilia L Ridgeway Dawn T Robinson Lynn Smith Lovin Jan E Stets Jonathan H Turner Murray Webster Jr David Willer and Morris Zelditch Jr *School & Society*, 1921 **Modernity and Self-Identity**
