The Lucifer Child:

The Lucifer Child Shelley Katz,1980-03 **Lucifer's Child** Elliott Epstein,2010-09 On a chilly gray autumn afternoon in 1984 a patrolman was dispatched to an inner city tenement in Auburn Maine to investigate the report of a possible fire What he found inside the building s smoke filled second story apartment was not a fire but something far more horrifying the charred body of a 4 year old girl Angela Palmer who had been stuffed into the oven of a kitchen stove and cooked to death The discovery traumatized the community and shocked the country The ensuing murder prosecution of the youngster s mother Cynthia Palmer and her boyfriend John Lane cast a searching light into the shadows of a secret world in which children and women suffer violence and sexual predation at the hands of those who are supposed to love and protect them
