## **Sociolinguistics R A Hudson:**

**Sociolinguistics** Richard A. Hudson, 1996-06-13 New edition of widely acclaimed textbook including new sections on up to date topics for the 1990s

**Sociolinguistics** Hudson, 2004-07-01 This new edition of Richard Hudson's widely acclaimed textbook *Sociolinguistics* will be welcomed by students and teachers alike. To reflect changes in the field since publication of the first edition in 1980 the author has added new sections on politeness accommodation and prototypes and he has expanded discussion of sex differences culture and general theory. There remains coverage of classic topics such as varieties of language speech as social interaction the quantitative study of speech and linguistic and social inequality. Like the first the second edition of *Sociolinguistics* is an exceptionally clear and helpful overview of the relationship of language and society.

*Introducing Sociolinguistics* Rajend Mesthrie, 2009-05-29 *Sociolinguistics* is one of the central branches of modern linguistics and deals with the place of language in human societies. This second edition of *Introducing Sociolinguistics* expertly synthesises the main approaches to the subject. The book covers areas such as multilingualism code choice language variation dialectology interactional studies gender language contact language and inequality and language and power. At the same time it provides an integrated perspective on these themes by examining sociological theories of human interaction. In this regard power and inequality are particularly significant. The book also contains two chapters on the applications of sociolinguistics in education and in language policy and planning and a concluding chapter on the sociolinguistics of sign language. New topics covered include speaking style and stylisation while

current debates in areas like creolisation globalisation and language death language planning and gender are reflected Written collaboratively by teachers and scholars with first hand experience of sociolinguistic developments on four continents this book provides the broadest introduction currently available to the central topics in sociolinguistics Features Provides a solid foundation in all aspects of sociolinguistics and explores important themes such as power and inequality sign language gender and the internet Well illustrated with maps diagrams inset boxes drawings and cartoons Accessibly written with the beginner in mind Uses numerous examples from multilingual settings Explains basic concepts supported by a glossary Further Reading lists a full bibliography and a section on next steps provide valuable guidance *Diglossia and Other Topics in New Testament Linguistics* Stanley E. Porter,2000-06-01 The first part of this volume includes a summary of this important area of study in both Septuagintal and New Testament Greek and a review of these issues in the context of linguistic research generally A second part includes contributions on aspects of research into the Greek of both Testaments featuring both new areas of research such as critical discourse analysis and more traditional issues such as the nature of the Septuagint translation **Die Apostelgeschichte und die hellenistische Geschichtsschreibung** Cilliers

Breytenbach,Prof. dr. Jens Schröter,2018-12-10 This volume a Festschrift in honour of the renowned Acts scholar Eckhard Pl macher contains thirteen articles on Luke s Acts of the Apostles Presented are essays concerning Luke s language and style Alexander Koch Steyn Victor the literary and historiographical technique applied in Acts Moessner Koch Lindemann on Luke s theology Christology Schr ter Vouga and on the use and abuse of Acts for reconstructing aspects of the history of Early Christianity Breytenbach Horn Schmithals and for constructing theology relevant to modern culture Vouga Furthermore it contains a critical edition and commentary of the Martyrdom of Stephen with a discussion of its relationship to Acts Bovon Bouvier and a presentation and discussion of some unknown Coptic Fragments of Acts Bethge Language Topics Ross Steele,Terry Threadgold,1987-01-01 This second volume in honour of Michael Halliday contains three sections The Design of Language Text and Discourse and Exploring Language as Social Semiotic and concludes with a recent interview conducted by Paul Thibault in which Halliday provides further insights in his theory of language The essential design features of language are semantic lexico grammatical and phonological Text for Halliday is a semantic unit expressed by the lexico grammatical and phonological patterns in language The papers in the first section study aspects of these three strata of language and the relation between them The second section deals with units higher than the clause complex and the papers there attempt to integrate the analysis of the lexico grammatical and phonological systems into higher level discourse units The papers in the third section develop the notion of language as social semiotic which is central to Haliday s model of language **Historical Linguistics and Biblical Hebrew** Robert Rezetko,Ian Young,2014-12-15 DOCTYPE HTML PUBLIC W3C DTD HTML 4 0 Transitional EN html meta content text html charset ISO 8859 1 http equiv content type body A philologically robust approach to the history of ancient Hebrew In this book the authors work toward constructing an

approach to the history of ancient Hebrew that overcomes the chasm of academic specialization. The authors illustrate how cross textual variable analysis and variation analysis advance research on Biblical Hebrew and correct theories based on extra linguistic assumptions intuitions and ideologies by focusing on variation of forms used in the Masoretic text and variation between the Masoretic text and other textual traditions. Features A unique approach that examines the nature of the sources and the description of their language together. Extensive bibliography for further research.
