ARIZONA RANGERS Joe C. Noriega, 2013-05 Joe C Noriega is a freelance writer who has already published one other book He has many other stories that he has written and waiting for the right moment to publish them Currently he is residing in El Cajon California where he is a sharecrop farmer and plants a small vineyard of red grapes and makes red wine The inspiration to write this story came from writing of two short one hundred word stories about the West during the 1800s He wrote a story about a wagon train master and a sheriff These two short stories are currently displayed in the Lakeside County Library Lakeside California This is Joe Noriega's second book The first book is called 03 Why Me published by Robertson Publishers

**Cool Wind's Gate** Wayne A. Bernard Sr, 2012-07 This book is about people whose ancestors lived in bondage and the ordeal and challenges facing them finding freedom in a world where others were still in bondage It tells of the simple life challenges and the struggle of being accepted It tells of those that were not responsible for the things that were done in the past but were willing to sacrifice everything to make the world they now live in better It displays the simple beauty that life can hold and the courage to keep that beauty alive It tells of how their leaders built a challenging world around them and proved to them they were equal to any man This story contains hardships challenges humor and a zest for life as free as it possibly could be The story takes place in the mid 1800s on a Louisiana cane Plantation It tells of free people and the challenges they faced to hold that freedom as it was at a time and place in history that just wasn't ready for the change It tells of the struggles and the pleasures that evolve through the good deeds of a group of people that had the belief that the best people in the world were treated the worst To see the beauty of the outcome of this story just take a stroll to the place called Cool Wind's Gate

**Power, Ideology, and the War on Drugs** Christina J. Johns, 1992-04-20 Given the apparent failure of the War on Drugs to eliminate or even substantially decrease the use sale and trafficking of drugs and given the negative social consequences of a Prohibition like enforcement strategy scholars and policy makers have often wondered why the administration continues to follow its policy of criminalization and enforcement In *Power Ideology and the War on Drugs* criminologist Christina Jacqueline Johns demonstrates that while the War on Drugs has been a failure in some respects it has been highly successful in others The War on Drugs has for example diverted attention from severe social problems in the United States made drugs appear to be a cause of social ills rather than a symptom of social failures helped to legitimate a virtual abandonment of the lower class diverted attention from dangerous legal drugs which have been culturally and economically integrated into the society masked the fact that even the well off are so alienated that they rely on illegal or legal drugs for support legitimated a vast expansion of U S state power and a consequent erosion of civil liberties and constitutional guarantees and legitimated further projections of state power into the internal affairs of Latin America Because there has been an almost unquestioning acceptance of drug war policy the literature on the subject frequently fails to focus adequately on the ineffectiveness of the policy to accomplish its stated goal the heightened social costs brought about by a war strategy the socioeconomic context of drug use and drug trafficking and the wider political implications of the policy Johns discusses these issues at length as well as the spurious argument that drug trafficking is a threat to democracy in Latin America Research for *Power Ideology and the War on Drugs* is based on information collected from domestic and Latin American publications government reports current social science research and the findings of the Latin American Critical Criminology group This important new look at the War on Drugs will interest policy makers scholars and students in criminology sociology political science and Latin American studies

The Top Books of the Year The Marshall And The Bounty Hunters The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Marshall And The Bounty Hunters : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Marshall And The Bounty Hunters : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
