## **The Mask Of The Sun:**

**Masks of the Spirit** Peter T. Markman, Roberta H. Markman, 1989-01-01 Drawing on secondary works in archaeology art history folklore ethnohistory ethnography and literature the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica Chapters 1 the metaphor of the mask in Pre Columbian Mesoamerica the mask as the God in ritual and as metaphor II metaphoric reflections of the cosmic order and III the metaphor of the mask after the conquest syncretism the Pre Columbian survivals the syncretic compromise and today s masks Over 100 color and black white photos The Masks of Keats Thomas McFarland, 2000 This book surveys the poetic endeavour of John Keats and urges that his true poetry is uniquely constituted by being uttered through three artificial masks rather than through the natural voice of his quotidian self The first mask is formed by the attitudes and reality that ensue from a conscious commitment to the identity of poet as such The second called here the Mask of Camelot takes shape from Keats s acceptance and compelling use of the vogue for medieval imaginings that was sweeping across Europe in his time The third the Mask of Hellas eventuated from Keats s enthusiastic immersion in the rising tide of Romantic Hellenism Keats s great achievement the book argues can only be ascertained by means of a resuscitation of the defunct critical category of genius as that informs his use of the masks To validate this category the volume is concerned throughout with the necessity of discriminating the truly poetic from the meretricious in Keats s endeavour The Masks of Keats thus constitutes a criticism of and a rebuke to the deconstructive approach which must treat all texts as equal and must entirely forego the conception of quality Behind the Masks of Modernism Andrew Reynolds, Bonnie Roos, 2016-02-24 A wide ranging collection that allows the mask as artifact metaphor theatrical costume fetish strategy for self concealment and treasured cultural object to clarify modernity s relationship to history Carrie J Preston author of *Modernism s Mythic Pose Gender Genre Solo Performance* Covering an impressive range of geographies cultures and time periods these carefully researched essays explore the fascinating role of masks and masking in mediating the relationship between tradition and modernity in both art and literature Paul Jay author of *The Humanities Crisis and the Future of Literary Studies* Behind the Masks of Modernism reconsiders the meaning of modernism by taking an interdisciplinary approach and stretching beyond the Western modernist canon and the literary scope of the field The essays in this diverse collection explore numerous regional national and transnational expressions of modernity through art history architecture drama literature and cultural studies around the globe Masks both literal and metaphorical play a role in each of these artistic ventures from Brazilian music to Chinese film and Russian poetry to Nigerian masquerade performance The contributors show how artists and writers produce their works in moments of emerging modernity aesthetic sensibility and deep societal transformations caused by modern transnational forces Using the mask as a thematic focus the volume explores the dialogue created through regional modernisms

emphasizes the local in describing universal tropes of masks and masking and challenges popular assumptions about what modernism looks like and what modernity is      *Specifications and Drawings of Patents Issued from the United States Patent Office* United States.
