The Mask The Third Of The Watchers:

The Year of the Cobra (Akhenaten Trilogy, Book 3) Paul Doherty, 2012-09-25 Egypt's enemies are massing in the North But could the nation's deadliest threat lie within The Year of the Cobra is the third and final book in Paul Doherty's Egyptian trilogy Perfect for fans of Lauren Haney and Wilbur Smith Egypt is in danger The barbarous Hittites are rumoured to be massing their armies Pharaoh Tutankhamen is seriously ill and the country appears powerless against its enemies Scheming minister Lord Ay sends Mahu Overseer of the House of Scribes to uncover the Hittites plan But what Mahu discovers could be more devastating than any attack When the Masked messengers emerge to guide Mahu many unanswered questions reveal themselves the truth about Pharaoh Akenhaten's disappearance the identity of the Watchers and secret knowledge about the Aten the one God and the coming of the Messiah Mahu knows that Egypt's future rests on this knowledge but he also knows that knowledge is power What readers are saying about The Year of the Cobra Very fresh and extremely well researched From page one the reader is hooked Paul Doherty creates a vivid colourful and lively picture of the time It is a mark of the author if he can capture the spirit of the time he is writing about and of course make the characters come alive Paul Doherty does all of this with ease

Masks E. C. Blake, 2013-11-05 Masks is the first novel in the dystopian fantasy Masks of Aygrima series Cataclysmic events have left the Autarchy of Aygrima the one land blessed with magical resources cut off from its former trading partners across the waters not knowing if any of those distant peoples still live Yet under the rule of the Autarch Aygrima survives And thanks to the creation of the Masks and the vigilance of the Autarch's Watchers no one can threaten the security of the empire In Aygrima magic is a Gift possessed from birth by a very small percentage of the population with the Autarch himself the most powerful magic worker of all Only the long vanquished Lady of Pain and Fire had been able to challenge his rule At the age of fifteen citizens are recognized as adults and must don the spell infused Masks which denote both status and profession whenever they are in public To maintain the secure rule of the kingdom the Masks are magically crafted to reveal any treasonous thoughts or actions And once such betrayals are exposed the Watchers are there to enforce the law Mara Holdfast daughter of the Autarch's Master Maskmaker is fast approaching her fifteenth birthday and her all important Masking ceremony Her father himself has been working behind closed doors to create Mara's Mask Once the ceremony is done she will take her place as an adult and Gifted with the same magical abilities as her father she will also claim her rightful place as his apprentice But on the day of her Masking something goes horribly wrong and instead of celebrating Mara is torn away from her parents imprisoned and consigned to a wagon bound for the

mines Is it because she didn't turn the unMasked boy she discovered over to the Night Watchers Or is it because she's lied about her Gift claiming she can only see one color of magic when in truth she can see them all just as she could when she was a young child Whatever the reason her Mask has labeled her a traitor and now she has lost everything doomed to slavery in the mines until she dies And not even her Gift can show Mara the future that awaits her a future that may see her freed to aid a rebel cause forced to become a puppet of the Autarch or transformed into a force as dangerous to her world as the legendary Lady of Pain and Fire
