*Twentieth Century Forcible Child Transfers* Ruth Amir, 2018-11-27 The current surge of displaced and trafficked children child soldiers and child refugees rekindles the virtually dead letter of the Genocide Convention prohibition on transferring children of one group to another This book focuses on the gap between genocide as a legal term and genocidal forcible child transfer as a catastrophic experience that disrupts a group s continuity It probes the Genocide Convention s boundaries and draws attention to the diverse yet highly similar patterns of forcible child transfers cases such as colonial genocide in the US Canada and Australia Jewish Yemeni immigrants in Israel children of Republican parents during the Spanish Civil War and its aftermath and Operation Peter Pan in Cuba The analysis highlights the consequences of the under inclusive protection granted only to four groups Ruth Amir argues effectively for the need to add an Amending Protocol to the Genocide Convention to protect from forcible transfer to children of any identifiable group of persons perpetrated with the intent to destroy the group as such This proposed provision together with Communications and Rapid Inquiry Procedures will highlight the gravity of forcible child transfers and contribute to the prevention and punishment of genocide **Jewish Book World** ,2002 **The Journal of Jewish Studies** ,2003 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1971 First multi year cumulation covers six years 1965 70 **Subject Guide to Books in Print** ,2001 **Index to Jewish Periodicals** ,2003 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *The Melting Pot in Israel* Zvi Zameret,Tsevi Tsameret,2002-03-21 Covers early Israeli education policy regarding immigrant populations Encyclopaedia Judaica Fred Skolnik,Michael Berenbaum,2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews to world cultures *Forthcoming Books* Rose Arny,2002-04 **Research in Education** ,1974 *Health Planning Methods: Australia, Canada, Egypt, Israel, New Zealand, and Thailand* ,1980 **Books In Print** **2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *Afkār Inquiry* ,1984-06 *The New York Times Magazine* ,1983 Research Report Universiṭah ha-’Ivrit bi-Yerushalayim.
