The Memory Maker:

The Memory Maker B. A. Foerster, 2021-12-08 Imagine eating a dish that contained the magical capacity to create a memory into a reality This is what happened to Claudia after consuming Adrian s gourmet macaroni and cheese Unfortunately the memory she created was something so vile and abhorrently disgusting one wonders if the enjoyment of the delicious meal was worth the outcome Claudia recently having lost her family home in a fire thinks her life is finally headed in a positive direction when she starts a new job at The Plentiful Pantry a small friendly takeout restaurant It is here at the Pantry where she meets Adrian Jerry chef extraordinaire and owner of the establishment Claudia s optimism is short lived though when the memory that is triggered is that of a grotesque gurglio Witness as she compulsively begins feeding leftovers to an ever increasing number of gurglios that congregate each evening by the Pantry s greenhouse Finally Claudia admits to herself that this nightly feeding frenzy is out of control Desperate she contacts Julia Byerly to obtain poisonous oleander In the meantime she wrestles with the guilt that she is jeopardizing Adrian s well being How can she confess to Adrian one of the kindest people she knows that she has been luring the monsters by feeding them his leftovers This third and final book of The Grotesque Gurglios Trilogy The Memory Maker reveals yet another overwhelming challenge in attempts to annihilate these creatures Perhaps this time the beasts will be gone for good

Memory Makers Debbie De Louise, 2022-01-15 Twenty five years ago Lauren Phelps and her sister Patty were kidnapped from their backyard on Long Island Lauren escaped her captor but Patty was killed Ever since Lauren has suffered from nightmares of the Shadow Man Trying to recall his face and avenge her sister s murder Lauren now a kidnapping investigator enrolls in a clinical trial for a new memory drug At the offices of Memory Makers in California she receives the injections of the Memory Makers serum and begins to experience flashbacks of repressed memories Along with the flashbacks she receives threats from an anonymous source that point back to her childhood trauma Soon Lauren becomes involved with a fellow trial participant who seeks to recall his own traumatic past But can Lauren discover the identity of the Shadow Man before history repeats itself

Dismantling the Memory Machine H.A. Bursen, 2012-12-06 The subject of the following study is theories of memory The first part is a study of one broad type of theory which is very widely adhered to at this time It enjoys great popularity among neuro physiologists neuropsychologists and more generally among scientifically oriented people who have directed their attention to questions about memory Further this way of looking at the matter is not confined to scientific professionals Indeed we can find popularized versions of the view in magazines like Time and Reader s Digest So in the first part of the book I will give a presentation of the view in its general form The theory will be presented in such a way as to reveal the features which make it tempting which make it seem to be a very natural way to explain the phenomena of memory And clearly from the number of adherents the view has won it is tempting and it does seem to be to go about explaining memory After setting forth a natural way this generalized version of the theory I will next present material by various authors who hold this view This will

allow the reader to get some idea of the different forms which the theory the memory trace or engram theory takes The last step is a criticism of the theory In the second part of the book the attack on trace theory will be strengthened by a further criticism *The Memory Maker* Benjamin Jacob Caldwell,2021 **PSYCHOLOGY OF LITERATURE** Haniyah Jahra Yadi Putri ,M.
