**The Methuselah Effect** D. Ross Yates, 2004-11-01 Book Two in the Masat Trilogy Oh god Paul Chandler thought as he cradled his head between his hands and stared at the display It depicted a halogram view of the Earth below So peaceful so tiny so easy to deal with from up here He began to rub his temples as he remembered how uncomplicated life used to be just a few short days ago All that he had wanted to do then was to make that stupid car payment Just a stupid car payment Now they expected him to Travel to transport from one place to the other without moving Well he reflected his world had certainly changed in these last few days In fact it had expanded beyond just his world he told himself It now included the entire galaxy or not if there was any way he could prevent it They were the descendants of the Emperor whose madness was allowed to foment They were the result of appetites and passions that were allowed free rein of psychosis that was encouraged to percolate to bubble and develop They were the hidden rulers over the generations They called themselves the Shapers and they watched studied and controlled those whose lifetimes had been genetically reduced by a factor of ten and now they were ready to start Thousands of years had passed since the Emperor founded this planet but in all those years the plan had remained the same The experiment had been completed generations ago but the thrill of the design of the shape of the outcome and ultimately of the bet prolonged its implementation Now the satellites were in place the nations were set to hair trigger and the globe ships would soon arrive and they would put it off no longer
