Rebuilding Broken MD Shoatzycatl,2013-11-08 There comes a point in life when our soul hangs in the balance saddened desperate and foreign to the person we've become The life we once romanticized seems shattered and we're left wondering what to do Rebuilding Broken traces the author's difficult journey from complete ruin and painful realization to a state of fulfillment and salvation Along the way MD emphasizes the power of spirituality outside the structure of organized religion as well as the importance of rediscovering the soul in a world which defines us breaks us and defines us again

The Mighty Mouth Jeani McKeever-Harroun,2001-04-01 The preceding statement was made by Solomon said to be the wisest man who ever lived All too often the impact we can have with our speech is largely ignored Yet the words we speak are an immensely powerful weapon in our spiritual arsenal for good or ill Learning to use wisely the words that flow out of our mouth can revolutionize our relationships and catapult us into a higher realm of living The constructive use of our words can bring healing encouragement and hope or be a source of inspiration at just the right moment Lay hold of your latent ability to impart words of life and unleash the untold power for edification that lies readily within your grasp
