[The Mask of Sanity](#) Hervey Cleckley, 2011-07-01 **The Mask Of Sanity** Dr. Hervey M. Cleckley, 2016-01-27 Originally published in 1941 under the title *Mask of Sanity: An Attempt to Clarify Some Issues About the So Called Psychopathic Personality* this influential book became a landmark in psychiatric case studies and was repeatedly revised expanded and reprinted in subsequent editions here we present the 3rd edition published in 1955 *The Mask of Sanity* is distinguished by its central thesis that the psychopath exhibits normal function according to standard psychiatric criteria yet privately engages in destructive behavior The book was intended to assist with detection and diagnosis of the elusive psychopath for purposes of palliation and offered no cure for the condition itself The idea of a master deceiver secretly possessed of no moral or ethical restraints yet behaving in public with excellent function electrified American society and led to heightened interest in both psychological introspection and the detection of hidden psychopaths in society at large leading to a refinement of the word itself into what was perceived to be a less stigmatizing term sociopath **The Mask of Sanity**

Hervey M Cleckley, 2020-12-30 First published in 1941 *The Mask of Sanity: An Attempt to Clarify Some Issues About the So Called Psychopathic Personality* by Hervey M Cleckley an American psychiatrist is considered to be the most important work on psychopathology of the twentieth century Cleckley based his work on clinical interviews with patients in mental institutions and continued to edit and revise his seminal work throughout the years The title *The Mask of Sanity* refers to Cleckley's description of the psychopath as living behind a mask of normalcy which makes the disorder very difficult to recognize and diagnosis They may appear engaging intelligent charming and sincere but behind this facade of a normal functioning person they are severely mentally disordered and chaotic Cleckley was the first to recognize the psychopath's lack of genuine emotion that stems from a serious and uncontrolled neuropsychiatric defect Cleckley's work is startlingly insightful and his outline of the basic elements of psychopathology remains relevant nearly eighty years later While highly controversial when it was first published Cleckley's exhaustive research and the fascinating case studies he explores in detail make *The Mask of Sanity* an indispensable guide for both professionals and lay people alike who wish to better understand psychopathology This edition is printed on premium acid free paper **Handbook of Psychopathy, First Edition**
