**No Sword To Bury** Franklin Odo,2008-11-20

When bombs rained down on Pearl Harbor in 1941 Japanese American college students were among the many young men

enrolled in ROTC and immediately called upon to defend the Hawaiian islands against invasion In a few weeks however the

military government questioned their loyalty and disarmed them In No Sword to Bury Franklin Odo places the largely untold

story of the wartime experience of these young men in the context of the community created by their immigrant families and

its relationship to the larger white dominated society At the heart of the book are vivid oral histories that recall their service

on the home front in the Varsity Victory Volunteers a non military group dedicated to public works as well as in the

segregated 442nd Regimental Combat Team Illuminating a critical moment in ethnic identity formation among this first

generation of Americans of Japanese descent the nisei Odo shows how the war time service and the post war success of these

men contributed to the simplistic view of Japanese Americans as a model minority in Hawaii

Local Story John P.

Rosa,2014-08-31 The Massie Kahahawai case of 1931 1932 shook the Territory of Hawaii to its very core Thalia Massie a

young Navy wife alleged that she had been kidnapped and raped by some Hawaiian boys in Waikiki A few days later five

young men stood accused of her rape Mishandling of evidence and contradictory testimony led to a mistrial but before a

second trial could be convened one of the accused Horace Ida was kidnapped and beaten by a group of Navy men and a

second Joseph Kahahawai lay dead from a gunshot wound Thalia s husband Thomas Massie her mother Grace Fortescue and

two Navy men were convicted of the lesser charge of manslaughter despite witnesses who saw them kidnap Kahahawai and

the later discovery of his body in Massie s car Under pressure from Congress and the Navy territorial governor Lawrence

McCully Judd commuted their sentences After spending only an hour in the governor s office at Iolani Palace the four were

set free Local Story is a close examination of how Native Hawaiians Asian immigrants and others responded to challenges

posed by the military and federal government during the case s investigation and aftermath In addition to providing a concise

account of events as they unfolded the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working class Native Hawaiians Asians and others in fact this understanding of the term local in the islands dates from the Massie Kahahawai case It looks at the racial and sexual tensions in pre World War II Hawai'i that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators Lastly it examines the revival of interest in the case in the last few decades true crime accounts a fictionalized TV mini series and most recently a play and a documentary all spurring the formation of new collective memories about the Massie Kahahawai case
