The Men Behind The Music:

Behind the Man Behind the Badge Bev Brannon, 2010-06 Behind the Man Behind the Badge is a collection of short stories recounting what I did as the wife of a Special Agent in the Naval Criminal Investigative Service Or as the world knows it today NCIS A special agent s job is not only very demanding but at times the cases are extremely sensitive and secretive So as a wife living in this environment I had to find my own way in each new country where we were assigned Since NCIS is attached to various military offices in each country many of the stories involve activities with both American and foreign military personnel I also explain how I had to adjust to military life as a civilian one who had never been exposed to military life before When my husband retired and we finally returned to the United States friends and relatives would listen to my husband s intriguing tales of adventure Then invariably they would turn to me and say And what did you do Occasionally I would have the chance to tell one of my favorite stories But before long they were eagerly asking my husband to tell them another story of intrigue My own tales of intrigue though none of them are super secret types cover The Week I Went to War To Sir With Love My Nights in the Brothel One for the Grinch Modern Conveniences Titillating Tidbits just to name a few The stories are written with subtle humor compassion and honesty and relate my adventures of living in foreign countries So now this is my way of telling what it was really like Behind the Man Behind the Badge Music, Sound, and Technology in America Timothy D.
