

# THE DIARY OF ANNE FRANK

by Frances Goodrich and Albert Hackett  
Newly Adapted by Wendy Kesselman

272. 273. 274. 275.

In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, immensely gifted young girl, who confronts her rapidly changing life and the increasing horrors of her time with astonishing honesty, wit, and determination. An impassioned drama about the lives of eight people hiding from the Nazis in a concealed storage attic, *THE DIARY OF ANNE FRANK* captures the shattering realities of their daily existence — their fear, their hope, their laughter, their grief. Each day of these two dark years, Anne's voice shines through: "When I write I shake off all my care. But I want to achieve more than that. I want to be useful and bring enjoyment to all people, even those I've never met. I want to go on living, even after my death." This is a new adaptation for a new generation.

"Invaluable reading: It shows the best. The evening never fails to forget the author's dark, new writing as often as it remembers the famous *Review*." —*The New York Times*

—The Deller-York-Perry administration. —

"... now *DIRTY* is strikingly better than the *Melodram*. Woody Kosterman's work has restored the former." —The New York Daily News

"Finally *Knowlton's* finally returned *now DUSTY* with a deeper story. A suspenseful, stirring and thoroughly engrossing new adaptation." —Steve Kornacki, *Entertainment Weekly*

The present study shows that some of the authors are from the same institution.

—Time Magazine
