Staying In School:

The Living School Jerry A. Rice Ed. D.,2011-08-19 At a time when countless educational reforms mandates and change programs are being foisted on our public schools it seems clear that new approaches and solutions are needed In The Living School the author details the thinking that brought us to our current educational dilemma and the forces that formed our model of American schools He explores new ways of thinking about school leadership organizations and learning gently leading the reader to a new viewpoint of schools and the educational process He puts into perspective recent educational and organizational research and discoveries and demonstrates how they must be applied to our schools in order for true reform to happen
