Staying Close:

Stay Close Libby Cataldi, 2009-04-28 During his early teens Jeff Bratton started using drugs At first alcohol and pot but quickly he spiraled into using cocaine ketamine crystal meth and eventually heroin How could this wonderful son loving brother and star athlete lose himself to drugs How could his parents be so clueless How could his mother the long term head of a private school be so blind Stagli vicino an Italian recovering addict told the author Stay close never leave him even when he is most unlovable This is not a book about saving a child It is a book about what it means to stay close to a loved one gripped by addiction It is about one son who came home and one mother who never gave up hope Stay Close is one mother s tough honest and intimate tale that chronicles her son s severe drug addiction as it corroded all relationships from the inside out It is a story of deep trauma and deep despair but also of deep hope and healing Here is Libby Cataldi s story about dealing with addiction without withdrawing love learning to trust again while remaining attuned to lies and the cautious triumph of staying clean one day at a time He told her Mom never quit believing And she didn t **Figuring It Out Fast** Scott Blankenship, 1999 This guidebook seeks to inform readers of the best approaches in dealing with nursing homes and nursing home circumstances Five chapters trace the family through this heart rending experience **Moments Together for Couples** Dennis Rainey, Barbara Rainey, 1995-10-19 Take Time Out of Each Day to Relax and Grow Together In the midst of the stress and pressure of everyday life Moments Together for Couples will give you and your mate a chance to pause relax and draw upon the strength of the Lord This easy to use devotional helps you set aside anywhere from 5 to 30 minutes every day with your spouse to grow closer to God and closer to each other *How to Manufacture My Products* Philip J. Samuel, 2006 **Assisting Care Leavers Time for Action** OECD, 2022-06-13 Young adults who have lived in out of home care at some point during their childhood often struggle to build stable lives This is not surprising typically young care leavers not only have to overcome a difficult childhood but also tend to receive less support during the crucial years of early adulthood than youth living with their parents **Old, Female, and Rural** B Jan McCulloch, 2016-05-23 In reading Old Female and Rural you ll discover just that the reality concerning the daily living situations of the nation s older female populations in rural places This scholarly collection will help you and others dispel the romantic frontier myths of the stoic tenacious and independent rural woman Instead you ll find real direction for change in the statistics that truly reflect the older rural woman s mental physical economical and social existence Old Female and Rural will show you stark realities concerning the older rural female s economic well being intergenerational family relationships health care and service delivery availability and long term care concerns The candid demographic and epidemiological data you discover in this book will not only expose the myths for what they are but also allow you and others to transform the myths into daily realities of better policies and better living standards for the women who belong to this population subgroup Specifically you ll read about one woman s subjective evaluation of growing old in a rural area rural women s experiences of accessing health care

the economic well being of women aging in nonmetro areas changes in the informal support networks of women aging in the rural southwest a comprehensive synthesis of the above isolated topics which provides future implications for research education and policy While the legends of the old American frontier have died the older female populations in America s rural areas live on and they deal with some very challenging realities Old Female and Rural takes you into the homes lives and minds of this complex and unique subgroup of America s elders and points you and public administrators government officials educators and civil servants toward the unsettled frontier of real social change

Calendar of the Close Rolls Preserved in the Public Record Office: 1313-1318 Great Britain. Public Record Office, 1896 *Revolution* Emmanuel Macron, 2017-11-13 The bestselling memoir by France s president Emmanuel Macron Some believe that our country is in decline that the worst is yet to come that our civilisation is withering away That only isolation or civil strife are on our horizon That to protect ourselves from the great transformations taking place around the globe we should go back in time and apply the recipes of the last century Others imagine that France can continue on its slow downward slide That the game of political juggling first the Left then the Right will allow us breathing space The same faces and the same people who have been around for so long I am convinced that they are all wrong It is their models their recipes that have simply failed France as a whole has not failed In *Revolution* Emmanuel Macron the youngest president in the history of France reveals his personal story and his inspirations and discusses his vision of France and its future in a new world that is undergoing a great transformation that has not been known since the Renaissance This is a remarkable book that seeks to lay the foundations for a new society a compelling testimony and statement of values by an important political leader who has become the flag bearer for a new kind of politics
