Knowing the scripture involved is basic to understanding the message of the Book of Revelation. Buchanan shows the text of Revelation in one column and the relevant passages to Hebrew Scripture in a parallel column. He calls it redemption literature rather than apocalyptic and compares it to Jewish redemption literature composed during the period from the Bar Cochba Revolt to the end of the Crusades and with redemption literature found in Isaiah, Jeremiah, Ezekiel, Zechariah, Haggai, Daniel and some of the Psalms. **Learning Directory**, 1970 **The Horn Book Guide to Children's and Young Adult Books**, 2008

*Warriors and Their Weapons Around the Time of the Crusades* David Nicolle, 2002 The technological relationship between the three main civilizations of the Western world, Byzantium, the Islamic world and the West, most particularly in the area of arms, armour and military technology is a field of research for which Dr Nicolle is noted. This volume deals principally with Western Europe and Byzantium which for many centuries learnt from the Muslims in these matters; several articles also focus on military interactions in the Crusader states. The work draws upon both written and archaeological sources but above all makes use of the depictions of war and military equipment in contemporary art to examine the interconnections across the medieval world. **Black Belt**, 1996-09 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world, including techniques and strategies.
