Visual Writing Alex Baratta, 2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education there is a need for students to develop their skills in this area However it is often the case that students perceive instruction in academic writing if it is offered at all as boring This book addresses these two issues First the book can be used by students themselves even in the absence of academic writing classes as a self help guide from which they can develop their knowledge of academic writing and subsequent proficiency Second by discussing the components of academic writing in terms such as film which are familiar to today's generation students are enabled to relate to the material better and see what might have been perceived as dull from a brand new perspective Visual learners in particular will enjoy the analogous link between films and essays and students today are arguably more visually literate than previous generations being exposed to visuals on a daily basis through text message iconography computer games and the Internet The visual instruction provided in turn helps to facilitate mental visuals in students minds from which their knowledge of essay writing can start to develop

*Tip* Zoompad, 2008-02-13 This satirical first novel by Zoompad looks at growing up in the Sixties and Seventies highlighting the ludicrous injustices of the Pin down system A young girl is sexually abused taken into

care and then farcically re abuse d by the very system that was supposed to be looking after her Zoompad takes the reader on a refreshingly honest and often very funny journey through small town England from the 1960 s first from the eyes of a child then as a horse mad teenager It is a journey that encompasses the very meaning of life morality and justice love and respect Why are we here and what s the point It s a book about anger yet bears no trace of residual bitterness a book that kicks against taboos in a quest for openness and understanding The subject matter is distressing yet this book will leave the reader feeling strangely uplifted and eager to blow the dust off that collection of the sixties and seventies music *The Story of a Dreamer* Anilu Castro,2019-10-11 The life and struggles of an immigrant girl born in Mexico The story narrates why how and when she and her family decided to emigrate to the United States Her testimony relates how she survived a 3 day journey in the desert at age of 11 after failing for the first two attempts What happened after she made it across and how she overcame discrimination depression temptation and the separation of her family once in the American territory A real life story written to inspire and help others overcome their obstacles by seeing life from a different perspective *The Elephant And The Flea* Charles Handy,2008-09-04 Bookseller Charles Handy s best selling new book looks at how individuals the fleas in his analogy relate to multi national conglomerates the elephants In addition to addressing how and why we work today he covers a wide range of preoccupations and issues including the increasing fear of big business it is easy to see why many observers think that the big corporations are now both richer and more powerful than many nation states They worry that these new corporate states are accountable to no one that their financial clout makes governments beholden to them The elephants people feel are out of control *Say It Out Loud* Allison Varnes,2021-08-24 An empowering look at finding your voice facing your fears and standing up for what s right from the author of *Property of the Rebel Librarian* Charlotte Andrews is perfectly fine being quiet in fact she prefers it When she doesn t speak people can t make fun of her stutter But when she witnesses bullying on the school bus and doesn t say anything her silence comes between her and her best friend As if that wasn t bad enough her parents signed her up for musical theater Charlotte doesn t want to speak onstage but at least she doesn t stutter when she sings Then just as she starts to find her voice the arts program is cut Charlotte can t stay silent anymore So she begins to write Anonymous encouraging notes to her classmates Letters to the school board to save the school musical And an essay about the end of her best friendship and her hope that she can still save it Words could save Charlotte Andrews and everything she believes in if she just believes in herself enough to speak up **The Tree Goddess** Tom Raimbault,2023-01-04 The town of Maplevue has the reputation of paranormal activity and urban legends The Trivelli House one of the oldest historical buildings in town has been owned by the family for generations And it too has its legend Mary a member of the family purchases the house from her aunt She s determined to rid the property of any stigmatism or reputation as it is the house she has wanted since she was a little girl But a temporary guest of Mary s moves in with her and soon disappears More disappearances follow and even though the Maplevue police have their most experienced detectives

on the case they can provide no answers Are the disappearances supernatural and related to the dark centuries old history of Maplevue
