Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T S Eliot's The Wasteland into print for the first time and provided other editorial services for Thomas Mann e e cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic

**Music + Revolution** Richard Barone,2022-09-15 Even before the Beatnik Riots of 1961 New York City's Greenwich Village was the epicenter of revolutionary movements in American music and culture But in the early 1960s and throughout the decade a new wave of writers and performers inspired by the folk music revival of the 1950s created socially aware and deeply personal songs that spoke to a generation like never before These writers Bob Dylan Buffy Sainte Marie Janis Ian and Phil Ochs to name a few changed the folk repertoire from traditional songs to songs sprung from personal contemporary experiences and the nation's headlines raising the level of political self expression to high art Message and music merged and mirrored society In Music Revolution Greenwich Village in the 1960s Richard Barone unrolls a freewheeling historical narrative peppered with personal stories and insights from those who were there Illustrated with contemporaneous portraits of the musicians by renowned photographer David Gahr it celebrates the lasting legacy of a pivotal decade with stories behind the songs that resonate just as strongly today      Report of the Superintendent of the Bank Dept.
