When America Stopped Being Great Nick Bryant, 2021-03-04 Nick Bryant is brilliant He has a way of showing you what you've been missing from the whole story whilst never leaving you feeling stupid Emily Maitlis Bryant is a genuine rarity a Brit who understands America Washington Post In When America Stopped Being Great veteran reporter and BBC New York correspondent Nick Bryant reveals how America's decline paved the way for Donald Trump's rise sowing division and leaving the country vulnerable to its greatest challenge of the modern era Deftly sifting through almost four decades of American history from post Cold War optimism through the scandal wracked nineties and into the new millennium Bryant unpacks the mistakes of past administrations from Ronald Reagan's celebrity presidency to Barack Obama's failure to adequately address income and racial inequality He explains how the historical clues unseen by many including the media paved the way for an outsider to take power and a country to slide towards disaster As Bryant writes rather than being an aberration Trump's presidency marked the culmination of so much of what had been going wrong in the United States for decades economically racially politically culturally technologically and constitutionally A personal elegy for an America lost unafraid to criticise actors on both sides of the political divide When America Stopped Being Great takes the long view combining engaging storytelling with recent history to show how the country moved from the optimism of Reagan's *Morning in America* to the darkness of Trump's *American Carnage* It concludes with some of the most dramatic events in recent memory in an America torn apart by a bitterly polarised election racial division the national catastrophe of the coronavirus and the threat to US democracy evidenced by the storming of Capitol Hill

**America Gone Wild** Ted Rall, 2006-10 Insightful and venomously cynical political cartoons Rall straddles stereotypes avoids party lines like live wires A true freethinker Las Vegas Mercury There simply isn't a more polarizing more controversial or more widely read political and social cartoonist than Ted Rall Matt Groening Ted Rall makes me laugh out loud Rush Limbaugh What is sad is that such an ignoramus ends up as a prominent cartoonist in major newspapers Janet Clayton L A Times editorial page editor He's wonderfully incisive He has a way of looking at the world that is rarely articulated in editorial cartoons Bernard Goldberg author of *100 People Who Are Screwing Up America* There is loathsome and there is beneath loathsome And then there's Ted Rall Love him or hate him Rall has a unique drawing style and makes caustic social commentary that sets him apart from the pack *America Gone Wild* features Rall's most controversial cartoons assembled for the first time in a single collection Rall views his strips as a vehicle for driving social change He applies his outrageous sense of humor to volatile topics from 9/11 and the Iraq war to social issues such as unemployment the environment and religion This collection comprises his edgiest material and features lengthy behind the scenes commentary from Rall
