Southern Living

A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red circular shape partially visible behind it.

Onions In Mustard Sauce Recipe:

1,001 Best Slow-Cooker Recipes Sue Spitler, Linda R. Yoakam, 2009-03-01 Slow cookers are a great complement to today's busy lifestyles. Once the ingredients are added, the meal cooks itself. This collection brings together a huge number and variety of recipes that show off the value, ease, and versatility, not to mention delicious taste, of this cooking method. Seasoned cookbook author Sue Spitler covers every aspect of using slow cookers. The book explains the various kinds and sizes of cookers from 1 1/2 quarts to seven quarts and shows what recipes work best in each type. From there, readers learn to prepare all the necessary ingredients beforehand so that they can refrigerate the food and the crock for anywhere from hours to overnight and then plug the appliance in when it's time to cook. Included are more than a thousand scrumptious recipes, all thoroughly tested, for appetizers, entrees, side dishes, breads, sandwiches, and desserts. **Vegetable Kingdom** Bryant Terry, 2020-02-11 NAACP IMAGE AWARD WINNER Phenomenal transforms the kitchen into a site for creating global culinary encounters, this time inviting us to savor Afro-Asian vegan creations. Angela Y. Davis, distinguished professor emerita at the University of California, Santa Cruz; JAMES BEARD AWARD NOMINEE; IACP AWARD FINALIST; ONE OF THE BEST COOKBOOKS OF THE YEAR. The New Yorker, The Washington Post, Vogue, San Francisco Chronicle, Forbes, Food & Wine, Salon, Garden of Eatin', Delish, Epicurious. More than 100 beautifully simple recipes that teach you the basics of a great vegan meal centered on real food, not powders or meat substitutes, from the James Beard Award-winning chef and author of Afro Vegan Food justice activist and author Bryant Terry breaks down the fundamentals of plant-based cooking in Vegetable Kingdom, showing you how to make delicious meals from popular vegetables, grains, and legumes. Recipes like Dirty Cauliflower, Barbecued Carrots with Slow Cooked White Beans, Millet Roux Mushroom Gumbo, and Citrus Garlic Herb Braised Fennel are enticing enough without meat substitutes, instead relying on fresh ingredients, vibrant spices, and clever techniques to build flavor and texture. The book is organized by ingredient, making it easy to create simple dishes or showstopping meals based on what's fresh at the market. Bryant also covers the basics of vegan cooking, explaining the fundamentals of assembling flavorful salads, cooking filling soups and stews, and making tasty grains and legumes. With beautiful imagery and classic design, Vegetable Kingdom is an invaluable tool for plant-based cooking today. Praise for Vegetable Kingdom: In the great Black American tradition of the remix and doing what you can with what you got, my friend Bryant Terry goes hard at vegetables with a hip-hop eye and a Southern grandmama's nature. To paraphrase Maya Angelou, Bryant wants us to know that once we know vegetables better, we will cook vegetables better. He ain't lyin'. W. Kamau Bell, comedian, author, and host of the Emmy Award-winning series United Shades of America. Terry's perspective is casual and family-oriented, and the book feels personal and speaks to a wide swath of cooks. Each dish comes with a recommended soundtrack, completing his mission to provide an immersive, joyful experience. Publishers Weekly starred review. **The Chef's Compendium of Professional Recipes** John Fuller, Edward Renold, 1992 Presents essential recipes based on

traditional and classic methods but simplified and adapted to meet the needs and conditions of the busy professional kitchen In addition to covering restaurant cookery the recipes are also deemed suitable for employee catering at the work place and in institutions such as hospitals schools colleges and in travel catering such as aircraft rail and at sea Most recipes have been reduced to steps sufficiently simple to be followed by beginners as well as chefs **Down Home with the Neelys** Pat
