The Primitive Church Magazine ,1841      *Christian Life in the Primitive Church* Ernst von Dobschutz,2021-09-24 What is Christianity is the great question in the theology of the present day Harnack tells us that the answer can be found only by historical research Thus we come to ask what the beginnings of our religion were What was the primitive Christianity It is with this problem that the present book deals From the Preface to the English Edition      **The History of the Primitive Church: book 1. The church in the New Testament. book 2. From the death of St. John to the end of the second century** Jules Lebreton,Jacques Zeiller,1949      **The American Quest for the Primitive Church** Richard Thomas Hughes,1988 The dream of restoring primitive Christianity lies close to the core of the identity of some American denominations Churches of Christ Latter day Saints some Mennonites and a variety of Holiness and Pentecostal denominations But how can a return to ancient Christianity be sustained in a world increasingly driven by modernization What meaning might such a vision have in the modern world Twelve distinguished scholars explore these and related questions in this provocative book      **The Primitive Church** Rev. Fr. D. I. Lanslots,1980-10 How the Catholic Church got started Covers Sts Peter and Paul first Popes the written and unwritten word Council of Jerusalem persecutions religious life of early Christians early popes and martyrs birth of the New Testament      The History of the Primitive Church J. Lebreton,1944      **The Primitive Church** Maurice Goguel,1964      **The Primitive Church and the See of Peter** Luke Rivington,1894      *The Primitive Church in the Modern World* Richard Thomas Hughes,1995      **The primitive Church of Christ, a short history of religion, from the creation of the world to the present time, compiled from authorities** Jesus Christ,1880      **The Primitive Church** Ildephonse Lanslots,1926      The Original Draught of the Primitive Church William Sclater,1840      *A History of the Primitive Church* Jules Lebreton,Jacques Zeiller,1944      **Christian Life in the Primitive Church** Ernst von Dobschutz,2015-06-12 Excerpt from *Christian Life in the Primitive Church* For a long time theologians were specially attracted by the great thoughts which are connected with the objective content of Christian truth Much earnest labour was expended upon dogma in the way both of working it out speculatively and investigating it historically Within recent years however more attention has come to be paid to the subjective element in religion viz personal Christianity religious psychology and the various forms which religion assumes in the individual in different ages or classes and in particular peoples and periods The need for an account of popular religious thought and feeling Volkskunde has been almost generally recognized As a division of practical theology it is concerned in the first instance with the present but it will certainly welcome the assistance of history The present study is an attempt to transfer the method to primitive Christianity To this end we choose the domain where in our opinion Christianity can adduce the best evidence of power the domain of morals At the present time theology shows a strong disposition to look for the special power of Christianity in a quite different quarter About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more
