JOHN McGAHERN

INTRODUCTION BY

The Pornographer

David Copp, Susan Wendell

The Pornographer:

The Pornographer John McGahern, 2024-09-17 By arguably the most important Irish writer since Samuel Beckett The Guardian a character study of a young resident of Dublin who pens erotica for a living making his money through fantasy while denying the realities of love and sex in his life The Pornographer is the story of a writer down on his luck not a Dubliner but a resident of Dublin penning far from erotic tales to make ends meet These tales revolving around the delicious unending revel of Colonel Grimshaw and the typist Mavis Carmichael form a mordant counterpoint to his own much more complicated existence Thirty years old befogged by alcohol sensitive yet indifferent to all emotional weather he meets the slightly older Josephine a clever cautiously optimistic magazine editor who soon confesses her love and though the feeling isn't mutual as he makes painfully clear the affair goes on Josephine becomes pregnant and this being Ireland in the seventies the piper must be paid Not cruel but callous the pornographer reels through his days paying regular visits to a beloved aunt from the country who now lies dying in Dublin and to his publisher a citified and cynical Polonius who advises him to be careful not to let life in As the days turn into months he begins to wonder what letting life in might look like What would it mean and where would it lead to do right by others First published in 1979 John McGahern's fourth novel is a character study of rare and unsparing insight In rhythmic lyrical prose McGahern gives voice to the longing and self loathing of a soul caught between a traditional world he believes he has rejected and a brave new world of advertised freedoms sexual and otherwise which offers no guarantee of love

The Pornographer's Tragedy David Conway, 2014-06-03 PORNOGRAPHY POLITICS POWER

An eruption of sacrilegious slaughter a symbolic reign of terror unleashed by a mysterious assassin known only as the Samaritan exposes a vicious underworld of sadistic depravity ritual obscenity and quintessential evil lurking beneath the civilised veneer of metropolitan London Investigating the slayings with the help of Dr Cassandra Stark an enigmatic and brilliant psychiatrist Detective Inspector James Verlaine is plunged into an infernal nightmare of snuff pornography political corruption and a labyrinthine conspiracy dedicated to a monstrous totalitarian agenda And when he finally discovers the Samaritan's true identity Verlaine must confront the insidious power wielded by a secret elite that operates above the law and a sinister technology designed to enslave the minds of millions

The Pornographer's Poem Michael Turner, 2011-02-04

As a grade seven student living in an affluent suburb of Vancouver our unnamed narrator and his closest friend Nettie are introduced to the exciting world of super 8 filmmaking by a progressive young teacher Together Nettie and the narrator find in film a means of expressing their somewhat skewed world views At the age of sixteen the narrator shoots his first adult film surreptitiously capturing his neighbours having sex He believes that through representations of sexual activity he can comment on that which he finds both painful and confusing Nettie an idealistic poet now away at school sees in pornography the opportunity to do something artistic liberating and socially relevant and she pushes the narrator to make films that subvert the way the world is constructed Ultimately despite his radical intentions the narrator falls into a world of greed

delusion and hypocrisy the same world he once rebelled against **The Pornographer's Daughter** Kristin Battista-Frazee,2014-09-30 More than forty years after Deep Throat arrived on the cultural scene and inspired a sexual revolution questions about the ethics of pornography and its impact on society are still being asked today and remain as controversial as ever Kristin Battista Frazee was only four years old in 1974 when her father Anthony Battista was indicted by the federal government for distributing the now famous porn film Deep Throat As her father unexpectedly became an early pioneer in the emerging porn industry and transformed himself from Philadelphia stockbroker to porn broker this indictment threatened his family's stability The stress drove Kristin's mother Frances Battista to worry endlessly if her husband would be put in jail She became so depressed that she attempted suicide Kristin survived this family trauma to live a surprisingly normal life But instead of leaving the past behind her she developed a burning curiosity to understand her family's history Why did the federal government so vehemently prosecute this case And why did her father get involved in distributing this notorious porn film in the first place Did the influence of pornography in fact make Kristin a better person Answering these questions and reconciling her dramatic family history with her life as a wife and mother became her mission The Pornographer's Daughter is an insider's glimpse into the events that made Deep Throat and pornography so popular as well as what it was like to come of age against the backdrop of the pornography business

The Pornographer Diaries Danny King,2004 The sexiest job in the world *The Pornographer of Vienna* Lewis Crofts,2007 Underage whores opium pipes and absinthe chasers Thoroughly researched and well described The author is bewitched by his subject's decadence and by the period's historical detail Financial Times Lewis Crofts's debut doesn't shrink from depicting the squalor of Schiele's existence and powerfully evokes his uncompromising talent Guardian Utterly engrossing I was drawn into Schiele's reeling world with its reek of wet paint and sex Jon McGregor author of If Nobody Speaks of Remarkable Things Lewis Crofts' poignant debut captures the turbulence the vividness and the tragedy of Egon Schiele's life with rare skill and empathy Liz Jensen author of The Ninth Life of Louis Drax A Vogue magazine recommended summer read A Metro newspaper fiction title of the week The Pornographer of Vienna is an acclaimed fictionalized life of Egon Schiele the great Austrian artist and protégé of Gustav Klimt Publicly shunned by the very same establishment figures that secretly clamor to buy his erotic explicit work Schiele lives a short intense life against the richly evoked backdrop of the absinthe soaked decaying last days of the Austro Hungarian empire In a first novel of rare descriptive power and empathy fuelled by a blend of research and literary imagination Lewis Crofts succeeds in evoking the man as well as the artist The result is a masterful at times heart breaking portrayal of Austria's most decadent and most misunderstood painter and of the city that both inspired and destroyed him Thirty year old debut novelist Lewis Crofts lives in Belgium **The Pornographer's Grief** Joseph Glenmullen,1994-02-10 Tales told we're assured from the psychoanalyst's couch Annotation copyright by Book News Inc Portland OR

Pornography and the Sex Crisis Susan G. Cole,1992 Can we do something about pornography without using censorship

Award winning journalist Susan G Cole says yes and presents a new argument that goes beyond the ones that have polarized the country around this issue **Pornography** Robert M. Baird, Stuart E. Rosenbaum, 1998-04 Collection of essays discussing the ethical social and moral aspects of pornography *My Father, the Pornographer* Chris Offutt, 2017-04-11 A memoir in which writer Chris Offutt struggles to understand his recently deceased father based on his reading of the 400 plus novels Andrew Offutt a well known writer of pornography in the 1970s and 80s left him in his will Publisher marketing

Pornography Degrades Edmund Lawrence Dearn, 1974 **Pornography and Sexual Representation** Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America **The Lancet**, 1897 **The Dublin Review**, 2006 Pornography and Censorship David Copp, Susan Wendell, 1983 *The Original Mr. Jacobs* Telemachus Thomas Timayen, 1888 America in the Seventies Beth L. Bailey, 2004 The seventies witnessed economic decline in America coupled with a series of foreign policy failures events that created an air of unease and uncertainty This volume examines the ways in which Americans responded to a changing world and sought to redefine themselves **A New Encyclopædia of Freemasonry (ars Magna Latomorum) and of Cognate Instituted Mysteries** Arthur Edward Waite, 1921 Feminism and the Politics of Literary Reputation Charlotte

Templin, 1995 Soon after its publication in 1973 *Fear of Flying* brought Erica Jong immense popular success and media fame Alternately pegged sassy and vulgar Jong's novel embraced the politics of the women's liberation movement and challenged the definition of female sexuality Yet today more than twenty years and several books later literary reputation continues for the most part to elude Jong Typecast by her adversaries as a media seeking sensationalist Erica Jong has been unfairly side stepped by academia Charlotte Templin contends In this carefully researched study augmented by personal interviews with Jong Templin assembles and analyzes the medley of responses to Jong's books by reviewers critics writers academics and the media by liberals conservatives and feminists She examines the diverse opinions on the merit and relevance to contemporary life of *Fear of Flying* the invocation of a high culture low culture dichotomy to discredit *How to Save Your Own Life* the anatomy of literary success with Fanny Jong's reception in a postfeminist age and the trivialization of Jong's works that is inevitable with mass media exposure Templin also shows how antagonistic reviewers tend to identify Jong with her fictitious characters a practice more common when the author is a woman and judge her to be guilty of the sin of not being a proper woman In turn she shows how reviewers reveal something of their own values and ideological biases in their critiques and how literary reputations are built destroyed and altered over time The first book to make a detailed examination of the reputation of a woman writer *Feminism and the Politics of Literary Reputation* provides an excellent case study for the literary reception of women writers within a broad cultural context Templin's analysis offers valuable insight into the reception of women writers especially commercially successful women writers and dramatically illustrates the relation of literary reputation to popular appeal and cultural mores *The Manion Forum*, 1969
