The Russian Revolution of 1905 Sidney Harcave,1970 At the start of the twentieth century the world s most powerful ruler was the Russian Tsar By 1905 a revolution had jeopardized the whole of Tsardom and ignited events that were to shape a new epoch in the history of man P 4 of cover **The Revolt of the Battleship Potemkin** Carol M. Tovee,1968

The Russian Revolution of 1905 was a series of chaotic and spontaneous events which while not sufficient to bring down the autocracy forced the promise of a parliamentary system of government from Nicholas II The discontent and unrest of that year affected all segments of the Russian population worker peasant student intellectual revolutionary and even the armed forces On June 14 1905 the battleship Kniaz Potemkin Tavricheskii mutinied and for eleven days was at large in the Black Sea This incident has subsequently been eulogized by Soviet historians as one of the most significant events of the revolution the conscious defection of the military to the side of the people While the mutiny was a spontaneous reaction to spoiled meat aboard the Potemkin the atmosphere which made the mutiny possible had been prepared by conditions in the navy and in the

country generally Agitation by the revolutionary parties particularly the Social Democrats was a contributing cause but the claim that the revolutionaries planned the mutiny would seem to be unjustified From a mutiny the sailors sought to construct a revolution They sailed to Odessa which was in the throes of a general strike but spurned advice to land in force Contrary to their expectations only one other ship of the Black Sea Fleet joined the Potemkin but the Georgia's crew soon had a change of heart and surrendered to the authorities Unwilling to participate in revolutionary events ashore and unable to obtain allies at sea the poorly led and poorly supplied sailors of the Potemkin capitulated to the Romanians This thesis is a description of these events and more particularly the reasons for their occurrence and the causes of the mutiny's failure Selected Works
