*The Power of Pentecost* Martin Salter, 2012-03-16 Two thousand years ago a Jewish fisherman stood up before a crowd of thousands to explain an extraordinary event A bewildered crowd had heard the wonders of God being declared in their own languages Peter's explanation This was the fulfillment of the promise of the prophet Joel a promise that in the last days people would prophesy see dreams and visions and perform signs and wonders That extraordinary day and that extraordinary promise have shaped the church over the last two thousand years The question before us is what does it mean for us today This book seeks to address and answer some of those questions by examining carefully the verses in question Acts 2 17 21 and their wider context and purpose

Testimony as to the Way of Its Reception , 1877 **Faith that stands in the power of God** Andrew Murray, 1896 *The Power of Pentecost, Or, The Fulness of the Spirit* John R. Rice, 1949 *The Way to Pentecost* Samuel Chadwick, 2007-01-01 As the young pastor of a self satisfied English congregation in the 1880s Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set fire to them The result was immediate The Holy Spirit fell on him The Power of Pentecost John R. Rice, 2000-08 The Second Reformation Bill Beckham, 2015-11-27 Bill Beckham describes how Jesus used groups of different sizes and relationships three twelve seventy and one hundred and twenty at Pentecost to fulfill his global purpose Beckham demonstrates how we need to relearn Christ's same relational strategy to plant churches and win a lost world for Jesus Christ Beckham shows how many churches today have allowed an Old Testament theology to dictate their ecclesiology He then offers practical advice and clear direction to return to the original way to live Church as an expansion movement like Jesus did In this book Beckham shows how the Cell Church Movement is God's answer to take the church back to a place of fruitfulness and effectiveness **The Homiletic Review** , 1895

Street Christian endeavour union, 1900 **Metropolitan Pulpit and Homiletic Monthly** , 1894 **The Pentecostal Gender Paradox** Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women's equality little research has been done to put these two areas into conversation with each other eschatological convictions are

often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality
