## **The Price Of Salt:**

**The Price of Salt** Patricia Highsmith, 2011-03-15 First Digital Edition Grier Rating A Therese is nineteen and working in a department store during the Christmas shopping season. She dates men although not with real enthusiasm. One day a beautiful older woman comes over to her counter and buys a doll. As the purchase is a C O D order, Therese makes a mental note of the customer's address. She is intrigued and drawn to the woman. Although young, inexperienced and shy, she writes a note to the customer, Carol, and is elated and surprised when Carol invites her to meet. Therese realizes she has strong feelings for Carol but is unsure of what they represent. Carol is in the process of a bitter separation and divorce, which is also quite lonely. Soon the two women begin spending a great deal of time together. Before long, they are madly and hopelessly in love. The path is not easy for them, however. Carol also has a child and a very suspicious husband, dangerous ground for the lovers. When the women leave New York and travel west together, they discover the choices they've made to be together will have lasting effects on both their lives. Considered to be the first lesbian pulp novel to break the pulp publishing industry's enforced pattern of tragic consequences for its lesbian heroines, **The Price of Salt** was written by Patricia Highsmith under the pseudonym Claire Morgan, the author of *Strangers on a Train* and *The Talented Mr. Ripley*. As one reviewer wrote in 1952, Claire Morgan is completely natural. She has a story to tell and she tells it with an almost conversational ease. Her people are neither degenerate monsters nor fragile victims of the social order. They must and do pay a price for thinking, feeling and loving differently, but they are courageous and true to themselves throughout.

### **Price of Salt** Highsmith,

Patricia, 2015-01-14 A chance encounter between two lonely women leads to a passionate romance in this lesbian cult classic. Therese, a struggling young sales clerk, and Carol, a homemaker, in the midst of a bitter divorce, abandon their oppressive daily routines for the freedom of the open road, where their love can blossom. But their newly discovered bliss is shattered when Carol is forced to choose between her child and her lover. Author Patricia Highsmith is best known for her psychological thrillers *Strangers on a Train* and *The Talented Mr. Ripley*. Originally published in 1952 under a pseudonym, **The Price of Salt** was heralded as the novel of a love society forbids. Highsmith's sensitive treatment of fully realized characters who defy stereotypes about homosexuality marks a departure from previous lesbian pulp fiction. Erotic, eloquent and suspenseful, this story offers an honest look at the necessity of being true to one's nature.

### **The Price of Salt** Patricia Highsmith, 2012

With an autobiographical Afterword by the author, **The Price of Salt** is now recognized as a masterwork, the scandalous novel that anticipated Nabokov's *Lolita*.

**The Price of Salt by Patricia Highsmith (Book Analysis)** Bright Summaries, 2019-04-03

Unlock the more straightforward side of **The Price of Salt** with this concise and insightful summary and analysis. This engaging summary presents an analysis of **The Price of Salt** by Patricia Highsmith, which traces the burgeoning love affair between the 19-year-old shop clerk, Therese Belivet, and Carol Aird, a glamourous, alluring older woman who is undergoing an acrimonious divorce. In spite of their apparent differences, the two women are soon unable to deny their attraction to one

another and must fight against the pervasive homophobia that conspires to keep them apart The Price of Salt was initially published under a pseudonym before being republished as Carol under Highsmith's own name The novel's happy ending was unprecedented for lesbian fiction at the time and it inspired an Academy Award winning film in 2015 Find out everything you need to know about The Price of Salt in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries.com Available in print and digital format our publications are designed to accompany you on your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries.com *The Price of Salt* Patricia Highsmith, 2014-03-16 Soon to be a major market Cate Blanchett film adaptation under the name Carol The Price of Salt sometimes published under the title Carol is a 1952 romance novel by Patricia Highsmith written under the pseudonym Claire Morgan The author known as a suspense writer following the publication of her previous book Strangers on a Train became notorious due to the story's lesbian content and happy ending the latter having been unprecedented in gay fiction Because of the happy ending or at least an ending with the possibility of happiness that defied the lesbian pulp formula and because of the unconventional characters that defied stereotypes about homosexuality The Price of Salt was popular among lesbians in the 1950s *A History of Agriculture and Prices in England* James E.
