## **The Principal As Staff Developer Paperback:**

**The Principal as Staff Developer** Richard DuFour, Dennis Sparks, 1991-01-01      The Principal as Professional Development Leader Phyllis H. Lindstrom, Marsha Speck, 2004-02-20

At last we have a book that realistically empathically and interestingly describes leadership and the professional development work that needs to accompany it for principals. It is all here: readings, web sites, theory, practice, helpful forms to use, vignettes of principals. Lindstrom and Speck are both insiders and outsiders teaching us in the best of ways how to both think about and act on our new knowledge. Ann Lieberman, Senior Scholar, Carnegie Foundation for the Advancement of Teaching. This is the book to read. I will recommend it to my colleagues the minute it is off of the press. The authors should be very proud of their work and contribution to a pivotal need in the field. Bottom line: It will help improve what we do for children, our ultimate purpose. Becky J. Cooke, Principal, Evergreen Elementary School, Spokane, WA. Raise student achievement by developing leadership, teamwork skills, and knowledge in teachers. Individual teachers have the greatest effect on student performance. Principals as professional development leaders are in the best position to provide teachers with the professional development strategies they need to improve their skills and raise student achievement. The Principal as Professional Development Leader guides readers through a step-by-step process to formulate, implement, and evaluate long-term professional development. Authors Phyllis H. Lindstrom and Marsha Speck simplify and focus the function of the principal as professional development leader by providing scenarios, processes, context, and content that principals can use to create an integrated collaborative learning environment. Aligned with National Staff Development Council standards, this user-friendly resource includes rubrics, worksheets, and surveys. Professional development planners, sample forms for classroom visits and observations, calendars of professional development activities, recommended readings, and reflective questions. In order to improve learning for all students, this unique text provides the strategies, skills, and tools necessary to build the capacity of professional development within the school. The authors supply practical techniques for analyzing student achievement data, evaluating professional development plans, and achieving a culture of sustained improvement.

The New Principal's Fieldbook Pam Robbins, Harvey Alvy, 2004-04-15. Grounded in recent research and successful practice, The New Principal's Fieldbook prepares new and aspiring principals for the unexpected twists and turns of school leadership. Capitalizing on their experiences and those of other educational leaders, authors Pam Robbins and Harvey Alvy offer practical information, research-based strategies, and provocative stories to help principals develop into visionary leaders skilled in promoting the success of students and teachers. Surprises, obstacles, and opportunities characterize the leadership path. Within the chapters, the authors use research and specific examples from recognized practitioners to create a road map for navigating the complex challenges of the principalship. Collectively, the book's themes mirror key content areas addressed by the ISLLC Standards for School Leaders as well as other topics essential for success. Creating a shared vision that places student learning at the heart of the school. Transforming toxic

cultures into positive cultures Dealing with challenging experiences unique to new principals Promoting quality teaching and learning Creating professional learning communities Facilitating change within the school culture Building productive partnerships with central office staff parents and the greater community Designing management tasks as leadership tools Working with unions budgets the law and the media Balancing personal and professional responsibilities Leading ethically and with emotional intelligence Robbins and Alvy guide the reader through important concepts and practices including instructional leadership data driven decision making differentiated supervision professional development crisis intervention and time management At the end of each chapter they invite readers to reflect on how to apply their new knowledge to real situations Covering everything from everyday management tasks to the larger goal of student success *The New Principal's Fieldbook* is an essential guide for new and aspiring principals Note This product listing is for the Adobe Acrobat PDF version of the book *The Jewish Educational Leader's Handbook* Robert E.
