The Priesthood:

The Priesthood Witness Lee, 2017-03-01 In God's dispensation and economy the leading ministry is the priesthood. In this universe God has an administration, a divine economy. His economy is the way He arranges or dispenses. Therefore it is a kind of dispensation. According to the Bible, there are three main ministries in God's divine dispensation: the priesthood, the kingship, and the prophethood. The priesthood is the leading ministry of the three and brings the kingship and prophethood into function. In other words, both the kingship and the prophethood depend upon the leading ministry of the priesthood.

The Priesthood Wilhelm Stockums, 1947 *Theology of the Priesthood* Jean Galot, 2014-02-25 Since the end of Vatican II in 1965, more active involvement of the laity has led many people to wonder about the priest's place in the Church. In this masterful work, theologian Jean Galot S.J. clarifies the nature of the priesthood. He explains how the Jewish priesthood, the perfect priestly ministry of Jesus, and the role of the Twelve help us understand the ministerial priesthood. He considers how the priesthood of the faithful and the ministerial priesthood relate to each other and how the latter is by God's design necessary for the former. *Theology of the Priesthood* carefully examines the priest's role as minister of sacrifice and the sacraments, prophet of the Word, and leader of the Church. These and other aspects are summed up according to Galot in the priest's ministry as shepherd. This ministry is itself a sharing in Jesus' role as Shepherd. The priest does not draw the inspiration for his pastoral zeal from his own feelings or from his own personal resolve to create a better world. Fr. Galot writes: "He is shepherd on the strength of God's pastoral intention and represents specifically Christ the shepherd." Consequently, he is called upon to fulfill his pastoral mission not according to ideas of his own and his own personal ambitions but in keeping with God's own dispensation and the design of salvation devised by the Father and carried out by Christ. Like Jesus himself, the priest is at the service of the Father. The book also explores the spiritual life of priests, including the role of celibacy. It concludes with a discussion demonstrating that the male character of the ministerial priesthood is based on the will of Jesus and is not contrary to women's dignity or their role in the Church. *Spiritual Theology of the Priesthood* Dermot A.

Power, 1998-01-01 Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed. Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time. Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology, Fr. Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood. He highlights the roles of the Catholic priest as servant, bridegroom, shepherd, victim, teacher, prophet, celebrant, and minister of reconciliation. At a time when many priests feel their identity called into question, this book offers new hope for the renewal of the priesthood in the Catholic Church. **The Priesthood of All Believers and the Missio Dei** Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology. Yet the doctrine has often been used to serve diverse agendas. This book examines the doctrine's canonical, Catholic, and contextual dimensions. It

first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei* This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 *Lectio Divina* 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

Jesus Our Priest Gerald O'Collins, Michael Keenan Jones, 2010-03-18 In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ's priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ's priesthood and what sharing in that priesthood through baptism and ordination involves
