His recently deceased grandfather who had nothing going for him except money left Liam a house with strings attached. In order to inherit the new home Liam has to get married and stay that way for five years. Liam proposes an arrangement for his and Ariel's benefit: they'll wed and once the house is his if they want to stay roommates they can and if they want to divorce and sell the house they can split the assets. In the meantime Ariel will be safe from the people in her mother's world. Ariel has no issue with the idea of being roommates with Liam. After all they've known each other since ninth grade.
