The Preraphaelites:

The Pre-Raphaelites Andrea Rose, 1989-09 **The Pre-Raphaelites** Jan Marsh, 1996 Richly illustrated Jan Marsh describes the life of the Pre Raphaelite Brotherhood a group of young painters and poets who caused a furore in Victorian London through a selection of their letters and writings **The Pre-Raphaelites** James Harding, 1977 James Harding's detailed account of the formation of the Pre Raphaelite Brotherhood from its inception in 1848 to its gradual decline includes not only all those artists who were members of the Brotherhood but also their associates and followers Twenty illustrated biographies encompass the whole range of Pre Raphaelite styles and provide a rich insight into the Pre Raphaelite world Back cover *The Pre-Raphaelites* Inga Bryden, 1998 This unique collection demonstrates the profoundly interdisciplinary nature of Pre Raphaelitism and contains whole texts and key extracts from key Pre Raphaelite figures such as William Morris and from less well known figures *The Art of the Pre-Raphaelites* Elizabeth Prettejohn, 2000 When the Pre Raphaelite Brotherhood met in 1848 they were to produce a statement of ideas that would revolutionize artistic practice in pre Victorian England This book examines why these ideas still retain the power to fascinate and shock 150 years later *The Pre-Raphaelites* Timothy Hilton, 1971 *Collecting the Pre-Raphaelites* Margaretta Frederick Watson, 2018-12-17 First published in 1997 and written by leading scholars of the day these fifteen essays examine aspects of the reception and collecting of Pre Raphaelite Art the social and cultural context in which the work was favoured and acquired Two major collections provide the focus for the investigation that of the Birmingham City Museums and Art Gallery in the United Kingdom and that of the American Samuel Bancroft Jr now part of the Delaware Art Museum The study of these two collections both formed in the late 1890 places Pre Raphaelite Art at nexus of contemporary cultural issues that touched the lives of both the city council intent on establishing a public gallery of national importance and a wealthy American businessman indulging a private passion for the work of these artists The contributors approach the issue in a variety of ways These include the study of the ambitions and self perception of collectors of the period an analysis of the impact of John Ruskin's campaign to establish Pre Raphaelite painting as the Art of England and its impact on notions of civic and national identity the examination of individual painting in relation to such issues as the portrayal of women the nude and of religious subjects and the study of the Victorian preoccupation with Renaissance Italy and the attempt by Ruskin Charles Fairfax Murray advisor to the two collections and the Grosvenor Gallery to proclaim the Pre Raphaelite artists as the true inheritors of the genius of Renaissance Italian artists These essays were first presented at a symposium held at the Delaware Art Museum during the exhibition there of the paintings of Birmingham City Museums and Art Gallery **Reading the Pre-Raphaelites** T. J. Barringer, 2012 First published in Great Britain in 1998 by George Weidenfeld and Nicolson Ltd *Pre-Raphaelites Re-viewed* Marcia R. Pointon, 1989 The Pre Raphaelite Brotherhood formed in 1848 by the young Millais Holman Hunt and Rossetti has long been recognised as a high point in Victorian artistic production But whilst we know much

of the private lives of Pre Raphaelite artists and writers and their best known paintings are very familiar their work and particularly their visual imagery has attracted limited attention from art historians and critical theorists This collection redresses the situation with a series of detailed critical and historical studies of individual issues and productions artistic and literary relative to Pre Raphaelitism Using rigorous new critical analysis the book throws new light on the ways in which the Pre Raphaelites addressed philosophical religious political and social questions It will be essential reading for all students of Victorian art literature and ideas Back cover

The Pre-Raphaelites Robert de La Sizeranne,2008-01-01 In Victorian England with the country swept up in the Industrial Revolution the Pre Raphaelite Writing the Pre-Raphaelites Tim Barringer,2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism s innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement s wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture The Cambridge Companion to the Pre-Raphaelites Elizabeth Prettejohn,2012-07-23 A general introduction to the Pre Raphaelite movement treating both literature and visual art

The Pre-Raphaelite Circle Jan Marsh,2005 The Pre Raphaelite Brotherhood was a group of nineteenth century artists who challenged contemporary art with their commitment to realism and truth to nature Renowned as much for their social relationships as for their artistic ideals the lives of the Pre Raphaelites Holman Hunt Rossetti Millais Burne Jones and Morris illustrate the full range of human experience from personal tragedy to triumph Jan Marsh explores both the individual personalities and the artistic force which bound the circle together

The Pre-Raphaelites: From Rossetti to Ruskin Dinah Roe,2010-07-01 The Pre Raphaelite Movement began in 1848 and experienced its heyday in the 1860s and 1870s Influenced by the then little known Keats and Blake as well as Wordsworth Shelley and Coleridge Pre Raphaelite poetry etherialized sensation in the words of Antony Harrison and popularized the notion of art pour l art art for art s sake Where Victorian realist novels explored the grit and grime of the Industrial Revolution Pre Raphaelite poems concentrated on more abstract themes of romantic love artistic inspiration and sexuality Later they attracted Aesthetes and
