The Present Position Of The Synoptical Problem Of The Gospels:

Theological and Theoretical Issues in the Synoptic Problem John S. Kloppenborg, Joseph Verheyden, 2020-07-23

This volume addresses the Synoptic Problem and how it emerged in a historical context closely connected with challenges to the historical reliability of the gospels questions the ability of scholarship arriving at a compelling reconstruction of the historical Jesus the limits of the canon and an examination of the relationship between the historical reliability of gospel material and ecclesial dogma that was presumed to flow from the gospels The contributors all experts in the Synoptic Problem probe various sites and issues in the 19th and 20th century to elaborate how the Synoptic Problem and scholarship on the synoptic gospels was seen to complement undergird or complicate theological views By exploring topics ranging from the Q hypothesis to the Markan priority and the Two Document hypothesis this volume supplies extensive theological context to the beginnings of synoptic scholarship from an entirely new perspective *The Gospels as Historical Documents* Vincent

Henry Stanton, 2014-08-13 First published in 1930 this second volume in a three part series examines the Synoptic problem Stanton explores the ways in which the acts and sayings of Jesus were compiled and transmitted to the Greek speaking Church and how these early accounts affected the writing of the Gospels of Matthew Mark and Luke **The Gospels as**

Historical Documents: The synoptic Gospels. 1900 Vincent Henry Stanton, 1930 **De studie van de Marcusredactie in de twintigste eeuw** Geert van Oyen, 1993 **The Gospels as Historical Documents ...: The synoptic Gospels. 1909**

Vincent Henry Stanton, 1909 *Wiseman Review*, 1899 **A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known
