The President Must Die Oskar R. Kystad,2016-04-11 If terrorists got their hands on viruses what would they do with them Where would they get them Around the world there are certain repositories of the deadliest viruses and their strains In The President Must Die it supposes that some of those viruses are stored in the U S Navy Medical Research Unit that is located in Cairo Egypt In a plot that takes out the Egyptian President and then moves to do the same to the U S President less than a handful can reshape the political scene What would happen if some of God's people took time to listen and understand what God is saying Would it impact the impending catastrophe In the The President Must Die God still speaks people still listen and miracles still take place As in the past even so now God still uses people to change events and nations In the President Must Die learn that it doesn't take much to obey God but it does take your all

## **Horror Comics in Black and White**

Richard J. Arndt,2013-01-21 In 1954 the comic book industry instituted the Comics Code a set of self regulatory guidelines imposed to placate public concern over gory and horrific comic book content effectively banning genuine horror comics Because the Code applied only to color comics many artists and writers turned to black and white to circumvent the Code's narrow confines With the 1964 Creepy 1 from Warren Publishing black and white horror comics experienced a revival continuing into the early 21st century an important step in the maturation of the horror genre within the comics field as a whole This generously illustrated work offers a comprehensive history and retrospective of the black and white horror comics that flourished on the newsstands from 1964 to 2004 With a catalog of original magazines complete credits and insightful analysis it highlights an important but overlooked period in the history of comics
