**Surrealist Poetry in France** J. H. Matthews,1969      **Surrealist poetry in France** ,1953      **Surrealist Poetry in France** J. H. Matthews,1969      *SURREALIST POETRY IN FRANCE. VON J. H. MATTHEWS.* J. H. Matthews,1969

**Literary Origins of Surrealism** Anna Balakian,1947 Describes the relation of surrealism to the social and psychological revolt of the first post war period as revealed by its deep antipathy for bourgeois society in order to show that surrealist writings have contributed no so much to each other as to one general revolution in poetic mysticism and lead to the development of a new philosophy of reality      **An Anthology of French Surrealist Poetry** J. H. Matthews,1966      *The Poetry of Surrealism* Michael Benedikt,1974 It seems astonishing that some fifty years following the founding and first flourishings of the Surrealist movement and despite the publication of anthologies such as this in many countries throughout the world there should not until now have been a single anthology in English of its poets For the most part readers here have had to find the major Surrealist poets embedded in the few existing anthologies of miscellaneous twentieth century French poetry Often they have been accompanied by strange bedfellows indeed and usually represented by such abbreviated quantities of works as to blur both the overall quality of poets involved and the uniqueness of the movement from which they derive strength In this more concentrated selection focusing in most cases on major figures we hope to represent something more of the extent of both this uniqueness and this excellence

## **Introduction      One Hundred Years of Surrealist Poetry**

Willard Bohn,2022-11-03 Given that the Surrealists were initially met with widespread incomprehension mercilessly ridiculed and treated as madmen it is remarkable that more than one hundred years on we still feel the vitality and continued popularity of the movement today As Willard Bohn demonstrates Surrealism was not just a French phenomenon but one that eventually encompassed much of the world Concentrating on the movement s theory and practice this extraordinarily broad ranging book documents the spread of Surrealism throughout the western hemisphere and examines keys texts critical responses and significant writers The latter include three extraordinarily talented individuals who were eventually awarded the Nobel Prize in Literature Andre Breton Pablo Neruda and Octavio Paz Like their Surrealist colleagues they strove to free human beings from their unconscious chains so that they could realize their true potential One Hundred Years of Surrealist Poetry explores not only the birth but also the ongoing life of a major literary movement      **Surrealism, Insanity, and Poetry** J. H. Matthews,1982 In this groundbreaking original study J H Matthews clearly the chief scholarly expicator of surrealism today according to Contemporary Literature shows the surrealists goals and the imaginative freedom of mind are fused and diffused in the poet s creative world Hallucination game playing experimental research and the irrational which nurtures new ways of poetical expression are all interwoven Out of their eagerness to share benefits they ascribed to mental disturbance surrealists developed an approach to poetic technique which capitalized on teh free association of the unconscious mind without undermining the sanity of the poets themselves Matthews discusses early surrealist interest in psychosis hysteria

and insanity This interest underlies such major works as Andre Breton's *Nadja* and Breton's and Paul Eluard's *The Immaculate Conception* It is in the latter text that the issue of insanity and its relationship to poetic activity is most clearly revealed as essential to the surrealist enterprise Also included here are chapters on insanity's poetic simulation and possession Matthews work is important to anyone interested in poetry the unconscious and the history of twentieth century ideas as well as to scholars of surrealism Karol Baron a Czech surrealist artist has provided six original drawings especially for this book Dust jacket *Surrealist, Lover, Resistant* Robert Desnos, 2017 This extensive and wide ranging selection comprises the poetry of one of France's most exciting writers of the twentieth century the surrealist Robert Desnos Hailed as the prophet of the Surrealist movement by Andre Breton Desnos was a hugely influential figure across all art forms at the time and yet today his work completely underrepresented in the English language with only his children's poems currently available in English translation The present volume of nearly 300 poems seeks to redress the balance moving from youthful light hearted material to full blown surrealism from poems full of anguish and torment to delightful love poetry and from whimsical humorous verses to some of the great poem sequences of the Nazi Occupation period when Desnos was an active resistant
