## **Taking Humour Seriously:**

**Taking Humour Seriously** Jerry Palmer, 1994-01 examines those things which prevent enjoyment of humour and explores the values of comedic enjoyment    Taking Laughter Seriously John Morreall, 1983-06-30 There has never been a time in Western history that humor and laughter were not topics of intellectual debate and interest That is still true John Morreall's broad ranging concerns in *Taking Laughter Seriously* make it a book that will interest those in the social and behavioral sciences philosophy English literature and criticism drama and folklore Morreall has done an admirable job of analyzing earlier theories His discussions of humor as aesthetic experience social lubricant and valuable human feature are original and provocative Jeffrey H Goldstein Professor of Psychology Temple University The attempt at providing a theoretical framework which will include all forms of laughter and humor and will accommodate the main types of theories previously advanced is the principal thrust and success of *Taking Laughter Seriously* The topic is important and is one which philosophers have tended to ignore as have most disciplines It needs periodic philosophical reflection The book is clearly written well organized and well illustrated Morreall's style sometimes almost conversational fits the subject matter One would hope that a book on laughter and humor even a scholarly one would not be so ponderous and officious that it evidenced little relationship to its announced topic *Taking Laughter Seriously* avoids that contradiction and strikes a good balance Conrad Hyers Professor of Religion Gustavus Adolphus College author of *The Comic Vision and the Christian Faith* The book's qualities are first its scope and persuasiveness The whole book demonstrates the seriousness of humor and its central place in human life I know of no comparable work The second quality of *Taking Laughter Seriously* is its clarity and its engaging style It knocks out previous theories of laughter including Freud's and replaces them with a comprehensive one of its own It is bloody funny It will be enjoyed by philosophers psychologists teachers and anyone who can read G J Barker Benfield Associate Professor of History State University of New York at Albany    **Taking Humour Seriously** Jerry Palmer, 2003-12-16 First published in 1993 When do we laugh Why do we laugh What makes us stop What does humour consist of Listen to any everyday conversation it is full of the constant interruptions and detours of humour Look at the TV schedules for any evening how many of the programmes are comedies or contain a degree of humour Humour and comedy invite our pleasure at every step we take they are absolutely integral to any culture In *Taking Humour Seriously* Jerry Palmer argues that we must take humour seriously as well as humorously or fail to understand a fundamental part of culture *Taking Humour Seriously* unravels the reasons why humour is a challenge for every different theoretical approach It is multi dimensional it is part of personality and part of our cognitive and emotional processes it is subject to social rules governing appropriate behaviour on different occasions It is part of literary and audio visual narrative it is subject to moral and aesthetic judgment and it is a rhetorical instrument Palmer argues that it is only through investigating those separate dimensions that we can begin to understand the phenomenon of humour *Taking Humour Seriously* examines the role humour

and comedy play in many different types of society. It also looks at the many different approaches to its study from Freud to anthropology from literary criticism to biology. Finally it considers its limits the things that prevent humour and comedy from delivering their usual pleasures and explores the aesthetic value of those pleasures

**Humour, Seriously** Jennifer Aaker, Naomi Bagdonas, 2020-10-08 WALL STREET JOURNAL BESTSELLER A smart funny brilliant book on how to be smart about being funny brilliantly Sarah Cooper This book has finally convinced me that joking around can actually be important and powerful Ed Gamble Eye opening important and utterly enjoyable Come for the humour stay for the insights Arianna Huffington Humour is a superpower If you're not using it the joke's on you When we're kids we laugh all the time The average four year old laughs as many as 300 times a day while the average forty year old laughs 300 times every two and a half months We grow up start working and suddenly become serious and important people trading laughter for bottom lines and mind dumbing zoom calls But the benefits of humour for our work and life are huge Studies have shown that humour makes us appear more competent and confident strengthens our relationships unlocks creativity and boosts resilience during difficult times Dr Jennifer Aaker and Naomi Bagdonas are on a mission to help everyone discover the power of humour Based on the popular Stanford Business course this book will show you how to mine your life for material explore the Four Deadly Humour Myths and help you figure out which style of humour you fall into The Magnet The Sweetheart The Sniper or the Stand Up Drawing on behavioural science advice from world class comedians and stories from top leaders Humour Seriously will show you how to harness the power of humour every day

**Humor, Seriously** Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL LOS ANGELES TIMES AND USA TODAY BESTSELLER Anyone even you can learn how to harness the power of humor in business and life based on the popular class at Stanford's Graduate School of Business Don't miss the authors TED Talk Why great leaders take humor seriously online now The ultimate guide to using the magical power of funny as a tool for leadership and a force for good Daniel H Pink 1 New York Times bestselling author of When and Drive We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives So it should come as a surprise to exactly no one that trust human connection and mental well being are all on the decline This may seem like no laughing matter Yet the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships diffusing stress and tension boosting resilience and performing when the stakes are high That's why Jennifer Aaker and Naomi Bagdonas teach the popular course Humor Serious Business at the Stanford Graduate School of Business where they help some of the world's most hard driving blazer wearing business minds infuse more humor and levity into their work and lives In Humor Seriously they draw on findings by behavioral scientists world class comedians and inspiring business leaders to reveal how humor works and more important how you can use more of it better Aaker and Bagdonas unpack the theory and application of humor what makes something funny how to mine your life for material and simple ways to identify and leverage your unique humor style They

show how to use humor to rebuild vital connections appear more confident competent and authentic at work and foster cultures where levity and creativity can thrive President Dwight David Eisenhower once said A sense of humor is part of the art of leadership of getting along with people of getting things done If Dwight David Eisenhower the second least naturally funny president after Franklin Pierce thought humor was necessary to win wars build highways and warn against the military industrial complex then you might consider learning it too *Taking Comedy Seriously* Jennalee Donian,2018-12-31 This book explores stand up comedy as a relevant sociological phenomenon from a contemporary perspective as both a symptom of neoliberal capitalism and the locus specificus of socio political critique in the era of Empire It draws a feasible connection between the conspicuous rise in the art form s popularity over the past number of years and the dehumanizing and fracturing processes of the current dispensation that are increasingly becoming the defining experience of life in the contemporary era and to which understood in terms of the traditional humor theory of relief of which Sigmund Freud is key comedy serves as an obvious palliative More than this *Taking Comedy Seriously* Stand Up s Dissident Potential in Mass Culture in the Context of the Neoliberal Domain of Empire questions the possibility of a contemporary aesthetics of humor given that much of the art form is disseminated and controlled by the mass media and as such complicit in its work In particular it argues that the ideological situation of global capitalism poses an obvious predicament for the possibility of a socio politically efficacious stand up comedy in that ironic and skeptical distance is already characteristic of postmodern cynicism incorporated into the social fabric itself effectively rendering the comedic technique of satire synonymous with so called political comedy altogether appropriated or at least compromised and subsequently impotent From where then does a site of resistance emerge Through an analysis of a range of contemporary televisual digital and literary examples from the comedic routines of American comedian and talk show host Ellen DeGeneres South African satirist Pieter Dirk Uys and South African born and now American comedic talk show sensation Trevor Noah this book argues that a contemporary political comedy is reliant on a structuring aesthetic logic built around dissent disruption and difference **We Must Take Humour Seriously**
