and Northeast Ohio These words can only add up to a tragic car crash And they did The nightmare happened on November 13 2013 and left me on a journey searching for my brother and God It seemed like a game that I didn't want to partake in but I had no choice This game led me to several hospitals where I spent my time asking the hospital staff if they knew where my brother was They always led me to a room of an almost lifeless man lying in a bed and often looking at me like he was wondering who I was Where exactly was my brother the loud boisterous man that I once knew for fifty eight years He was the man that you would hear before you would even see him I wanted that brother back and wanted him back immediately I spent ten years searching for my brother and God It left me exhausted mad bitter and at times lonely How would I go about finding them I would have been happy if I could just find one of them but who would be more important to me my brother or God I couldn't imagine God turning his back on my brother Father Steve a devout Catholic priest because I could only envision God taking care of him every step of the way Would I be fortunate enough to find out that maybe God and my brother were hanging out the whole time searching for me Maybe I was the one who was lost If you like stories about faith family love and willpower then this book is for you
