Baker,1992 Examining the problem of the unity of Old and New Testaments from the perspective of the texts themselves David L Baker analyzes four modern solutions discusses some key themes and then offers his own solutions    **Biblical Theology of the Old and New Testaments** Brevard S. Childs,1993 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child s lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament s interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms    Sherwood Anderson Walter B. Rideout,2006-02-20 Sherwood Anderson A Writer in America is the definitive biography of this major American writer of novels and short stories whose work includes the modern classic Winesburg Ohio In the first volume of this monumental two volume work Walter Rideout chronicles the life of Anderson from his birth and his early business career through his beginnings as a writer and finally to his move in the mid 1920s to Ripshin his house near Marion Virginia The second volume will cover Anderson s return to business pursuits his extensive travels in the South touring factories which resulted in his political involvement in labor struggles and several books on the topic and finally his unexpected death in 1941 No other existing Anderson biography the most recent of which was published nearly twenty years ago is as thoroughly researched so extensively based on primary sources and interviews with a range of Anderson friends and family members or as complete in its vision of the man and the writer The result is an unparalleled biography one that locates the private man while astutely placing his life and writings in a broader social and political context Outstanding Academic Title Choice Magazine Winner
