## Tale Whose Time Has Come:

An Idea Whose Time Has Come Pramath Raj Sinha,2011-09-01 Ten years ago the founders of the Indian School of Business Hyderabad articulated a vision that was as daunting to execute as it was simple to state to build a world class business school in India The rest is history within a decade the ISB grew from a start up venture to globally top ranked business school named among the top twenty business schools in the world three years in a row with the distinction of being the youngest business school ever to enter the world top twenty rankings An Idea Whose Time Has Come traces the ISB's eventful history and also examines the reasons that account for the institute's success What emerges is a tale of perseverance and dedication of challenges met and rewards reaped and of an unshakeable idea that was painstakingly transformed into an invincible institution It is no wonder that the ISB continues to attract thousands of confident purposeful men and women every year and moulds them into talented professionals
