**More Tales from the Masnavi (1963)** A. J. Arberry, 2016-10-04 First published in 1963 this work puts into clear and rhythmical English one hundred stories and apologues of the Masnavi of Rumi Composed over a period of many years during the thirteenth century as a manual of instruction and initiation into spiritual life the Masnavi has long been acclaimed the greatest mystical epic of Islam The tales were designed to illustrate in human terms the often complex doctrine and this they do with a wealth of beauty honour and pathos as appealing to the modern reader as to the medieval audience to which they were originally addressed The volume like its predecessor Tales of the Masnavi is included in the UNESCO list of representative great works of world literature This work will be of interest to those studying Islam and Middle Eastern literature *Tales from the Masnavi* , 1993 **Tales from the Masnavi** Ġālāl ad-Dīn Rūmī, 1961 Sufism and

Transcendentalism Elham Shayegh, 2020-03-09 The rhetoric of cultural identity generally goes in two potential directions One a universal line that insists on an overall pattern of integration and harmony among all peoples regardless of their differences and the other a line which suggests that various cultures are so specific and different that they will eventually enter into clash violence and war Drawing upon Derrida's concept of difference I will point out that such rhetoric as examples of current political discourses fail to open the concept of cultural identity through redefining its relationship with otherness This will be accompanied by poetry of Rumi and Whitman to suggest that their literary language through its non dialectic characteristics is familiar with the problematic of identity and has the ability to form a cross cultural dialogue Sufism And Transcendentalism envisages the possibility of dialogue against the background of political conflict Tales from the Masnavi, 1968 **MORE TALES FROM THE MASNAVI: ED.
