## **Tales From The Outback:**

**Dark Tales from the Outback** Lazarus Carpenter, 2023-12-15 Dark Tales from the Outback is a collection of three short stories Jack is a huge red kangaroo who guided by an aborigine elder Kadaicha lives in the spirit world and because of their relationship Jack becomes a Guardian of the Outback Kaya is a skilled tracker and hunter who roams the vast desolate lands of the Outback Elders warned Kaya there was an evil spirit which had taken the form of a monstrous kangaroo and was driven by an insatiable thirst for blood He must confront evil and bring peace to the Outback The Madness of Outback s Shadow is a dark tale and according to legend Outback s Shadow a kangaroo was cursed for trespassing into sacred grounds and ever since it roamed the desolate plains seeking vengeance on any who dared enter its domain The story was dismissed as a mere folktale by most but for those who lived near the Outback it was a different matter entirely **Tales of the**

**Outback** ,1976 **Sea Captain Ned** Andrea Posner-Sanchez, 2004 When Ned the little wombat finds a boat his plans to be a sea captain are foiled by the boat s disrepair and the lack of water in the outback Luckily the Koala Brothers and other friends come to his rescue *Ten Thousand Campfires* Rex Ellis, 2012 You have probably seen Rex Ellis on TV He is constantly turning up on the box with his team of camels and his adventurous urban guests hanging on for dear life somewhere in the sandy wastes of the Red Heart maybe near Birdsville Or traversing Lake Eyre full of water and pelicans in his beloved tinny Rex lives a nomadic desert life out there that you and I can only dream about For a desert wanderer he is pretty talkative and has a mad sense of humour but when he does do his block with a recalcitrant safari guest or a stubborn camel he gets volcanic Ellis has the knack of extracting the ridiculous or the absurd essence wherever he travels He is an observer of the human condition and focuses by inclination on the farcical Perhaps his lifetime of observing outback wildlife gives him an excellent basis for a comparative study of crazy human behaviour He has always taken paying guests on his outback adventures and his colourful and varied descriptions of their shenanigans will bring great satisfaction to the superior armchair adventurer And of course every evening there is the campfire Ellis sees the campfire as the quintessence of the freedom of the outback the relaxation after a hard day s yakka the yarn spinning the chai yacking and the camaraderie that develops so easily while you all stare at the mysterious inspiring flames rather than at a mind deadening TV set This is the very essence of outback travelling and Ellis s highly emotional introduction leaves no doubt about the way he feels about these magic evenings So folks it s still not too late If you can t get out there straightaway then read the book *Ten Thousand Campfires* leaves no doubt that there is still plenty of the real old fashioned Australia in the Red Heart and it is pretty easy to distinguish it from what the author refers to as the sanitized metropolitan Australia **Australian National Bibliography**

While the Billy Boils Henry Lawson, 2013 Fifty two of Henry Lawson s stories and sketches that he had first published in newspapers and magazines from 1888 onwards were gathered in his collection *While the Billy Boils* Angus Robertson 1896 Lawson was not responsible for their ordering and he had to give ground on their texts especially on his idiosyncratic presentation of wordings that helped to breathe life into his characters and situations The present edition dismantles the fait accompli of 1896 by presenting the individual items in the chronological order of their first publication and with their original newspaper texts This will allow a new appreciation of Lawson s writing one that is attentive to his developing powers The edition also facilitates a close study of Lawson s collaboration with the producers of the collection in 1896 in particular with his copy editor Arthur W Jose and publisher George Robertson Facsimile images available online of the printer s copy that they prepared for *While the Billy Boils* supplement the edition s listing of the alterations that each of them made revealing the textual history of each story or sketch
