Greg Violi, 2020-12-29 Talitha Cumi Little Girl Arise is an unveiling of the image of God and the utter importance of women taking their true place in the heart of the Father As women discover the real meaning of hard to understand scriptures they will be enthralled with both Paul and Father God s love for them While reading this revelatory book the reader will be totally convinced that the Apostle Paul was not a misogynist but instead he

had a deep appreciation and love for all female members of Christ's body. The truths contained within this book will dispel confusion and instill a great honor in the men for their wives and sisters. These same truths will drive out all discouragement in the women and fill them with joy and excitement about the Father creating them as a woman. Never again will these precious ones feel negative about themselves and their role on the earth. Marriages will be healed, inner wounds mended, and the body of Christ, the Ekklesia, will enter more fully into its divine purpose through the divine revelation that is contained in this book. The necessity of the full image of God will be understood, and with that, the importance of revealing the fulness of Christ in His risen glory through each member. Some of the important life-changing truths covered are honor, pride, and power, which block all understanding of the true meaning of the Scriptures, and the main reason women are hindered and mistreated within the world. While reading about the hidden and unknown teaching called hatred for weakness, the reader will find answers to many questions. Thank you for purchasing this book, dear reader, and I promise that as you allow these truths to enter into you, you will never be the same. **Talitha Cumi** Annie Jefferson Holland, 1904 **The Girl's Own Annual**, 1886
